**OLD BUSINESS**

Winnie reported that at the last City Council meeting the library parking lot, as well as other parking lots throughout the city, was discussed because of maintenance issues. During the City Council meeting it was stated that because the Library is a government entity it would not be a problem to turn the parking lot over to the Library’s possession. Winnie asked the Library Board if they would like to move forward with taking possession of the parking lot and have an environmental site assessment done. Winnie reported that two companies SME and FPBH, Inc. have submitted quotes for an environmental assessment. A motion was made by Linda Shore and seconded by Ramona Hacker approving the quote from FPBH, Inc. as presented. Motion carried.

Winnie reminded the Board of the many electronic resources that patrons can use with their library card including Overdrive, Kanopy, Hoopla, and Tumblebooks. A motion was made by Linda Shore and seconded by Linda Brock approving the Epidemic/Pandemic and Library Health Emergency Policy as presented and closing the library beginning at 6pm on Monday, March 16th until further notice.
