

NEW CASTLE • HENRY COUNTY

PUBLIC LIBRARY

Smoking and Tobacco Use Policy

In accordance with Henry County policy, all New Castle-Henry County Public Library buildings, grounds, and vehicles are smoke and tobacco free. Tobacco use and smoking in all forms including e-cigarettes and vaping, is not permitted in any facility, vehicle or property owned by the library.

All buildings, doorways and walkways will be smoke and tobacco free. Smoking is not permitted in Library owned, leased, or operated licensed vehicles.

Advertising, sale, or promotion of tobacco products and the sponsoring of Library events by tobacco companies or tobacco-promoting organizations for the purpose of promoting tobacco related products is not permitted.

This policy applies to all persons, including employees, patrons and visitors to property owned by the library. Library customers who do not comply with this policy after being informed of the policy may have his/her privilege to use the Library revoked.

Smoking is permitted within personal vehicles as long as the vehicle is parked 25 feet from any facility entrance and/or 25 feet from any ventilation intake.
