1000 Steps THROUGH

NEW CASTLE

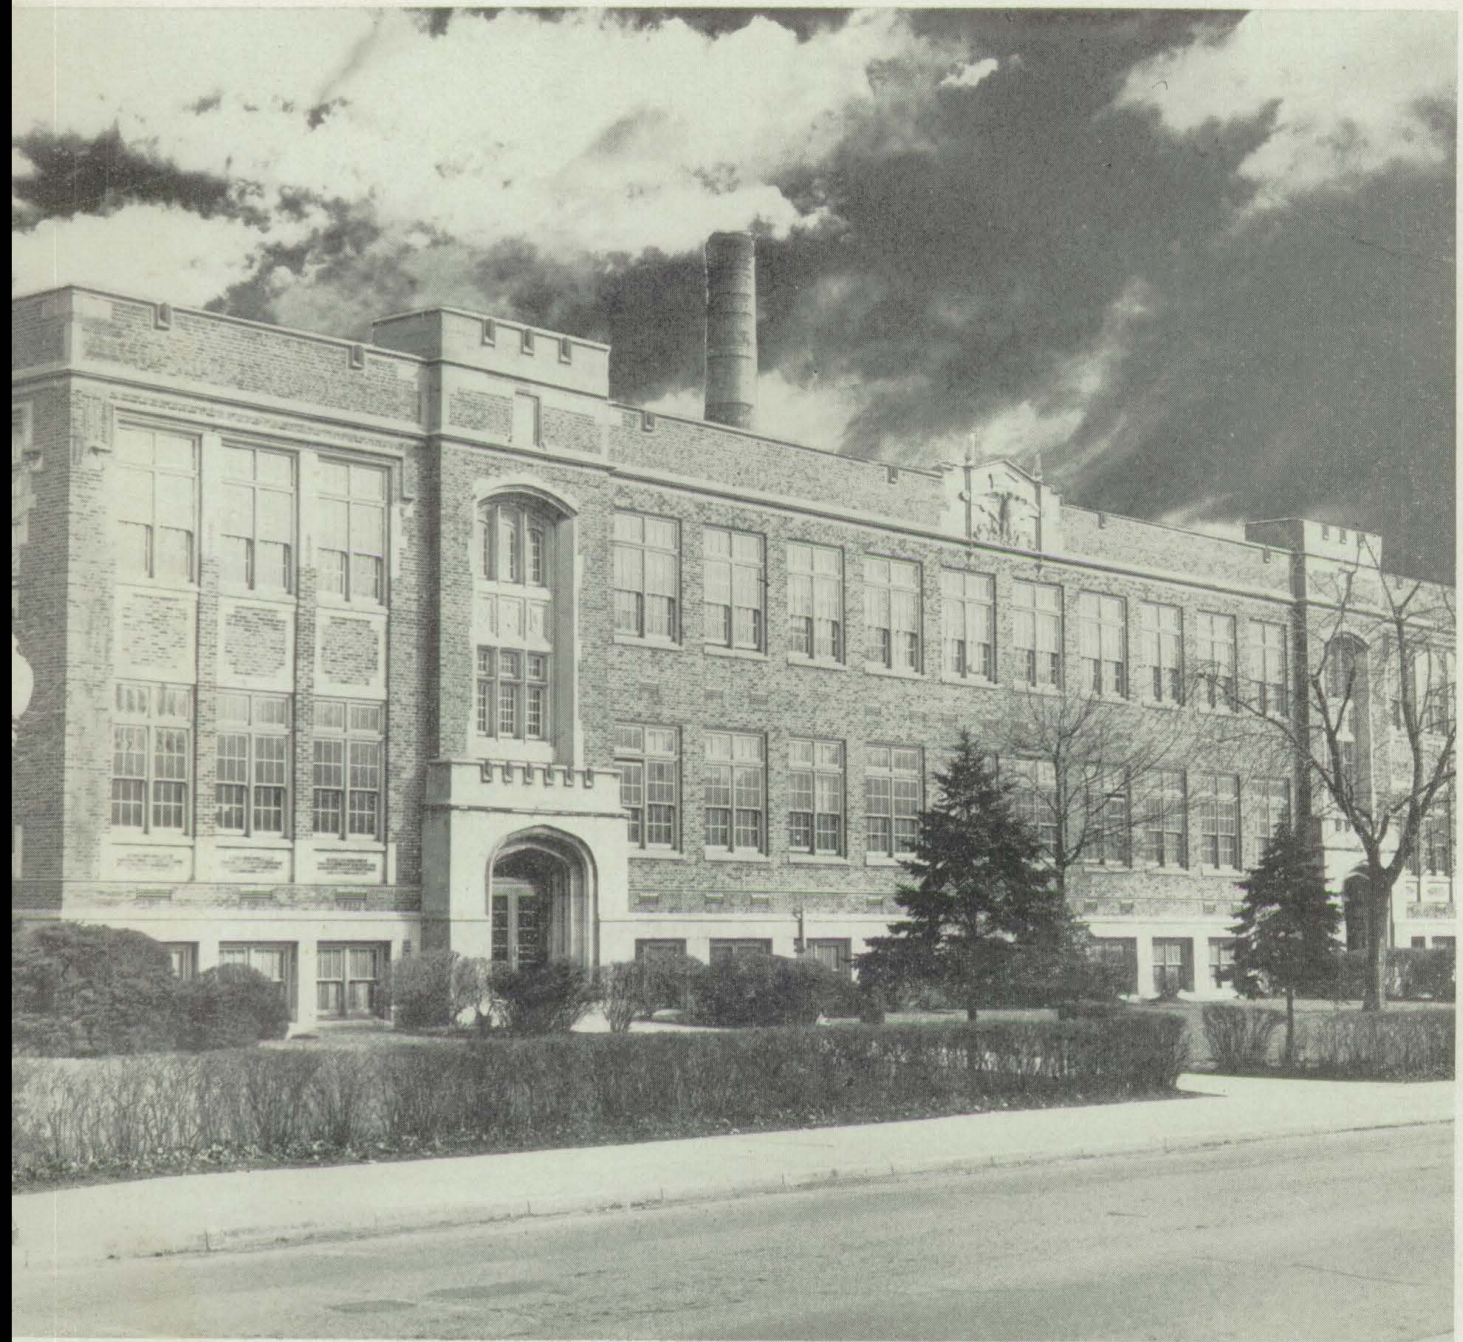

Senior High School
in 1949

This is our school. Yes, this is the place where we've spent four exciting years, and now here we are, the class of '49. It seems impossible that those four wonderful years have come to an end, and that we, at last, are dedicating our yearbook. Dedicating it to you, and you, and you . . . you, the student who has walked through those three halls to those 40 some classrooms where you spent 55 minutes a day, five days a week. And now, all those steps have come to a halt . . . it's true, they will go on to bigger and better things in life . . . but that worn path you've walked for four years can never be traveled again. Through the years you'll look back on your high school days in N H S with a few sighs and a lot of happy memories. Bear in mind, though, that if you keep your footsteps toward the sunshine, the shadows will surely fall behind.

THE 1949

ROSENNIAL

Facts About Our High School

Now to take you to some more familiar places around N H S. Between classes and after school you'll find shoes of every kind, color, and description in the Cozy Corner. We'll always associate the C. C. with our high school days when we look back.

No matter how many steps we have to take each day, we always have to be burdened with our ever-present companions . . . books! These books could certainly tell a lot if only they could speak . . . hmmmmm?

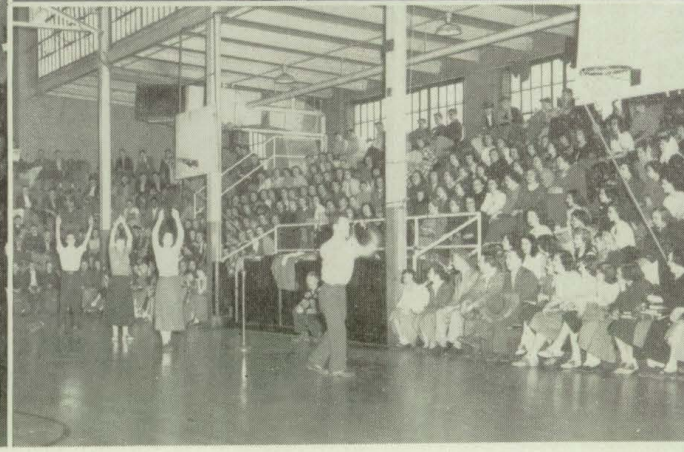

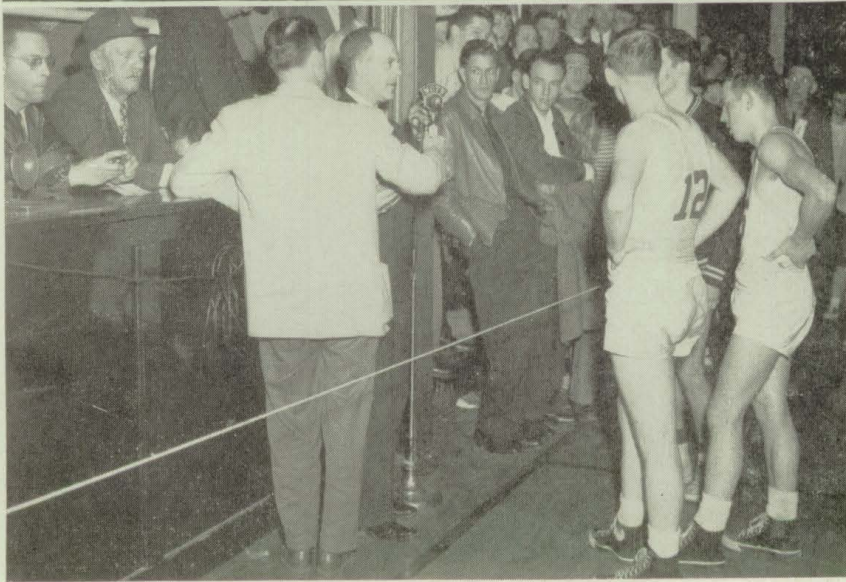

Well, well! Looks like two more have taken what is commonly known as that "fatal step". We all know that many more happy steps lie ahead for Mr. and Mrs. Charles A. Bickley. Congratulations! Also, best wishes to Mrs. Dean Parsons, the former Miss Barbara Clark.

Here's another shot of "ye ole" hall. People, people. Everywhere you look, you can see our 1,052 students milling around . . . gossiping about this and that . . . dates, assignments, ball games, dances, and the million other things going on.

We Treasure Our Steps Through N.H.S.

Our 1000 Steps in N.H.S. Include Plays,

Just look at those seniors! They're really studying hard on their lines. Yes, this is the class play cast for 1949. Here we see more of our high school's students. They seem to be having a wonderful and exciting time at this season's tourneys and the pep sessions. Those ball games were really something to get excited about this year. Will we ever forget that Semi-Final game? Yes, it really should have been "Trojan Time in '49."

Those familiar halls again! Wonder how many hundred miles we've walked up and down the stairs, and through those halls, peering into every nook and cranny of the building looking for this and that. And look! There are all those familiar faces again, too. We get together in the halls with our friends to talk over the day's events. Some of these students won't be around N H S after this year — but others will follow in their footsteps. They, too, will then walk their "1,000 steps through New Castle Senior High School."

Athletics, Music and Friendly Get-Togethers

Large or Small—We're 'King Sized Trojans'

There's the long and the short of it! Yes, it's two of our students, George Small, Jr., a member of the senior class, and Paul Benson, a sophomore. We have fellows here at N H S of every size, shape, or description you could possibly want. Short, fat, tall, skinny, blond, brunet, or redhead—you name it, and we've got it!

Here are some more of the brigade, Martha Grayson, Neel Davis, Pat Beeman, and Herb Prizeman. They're just showing you that they haven't worn their shoes out yet. They will be, though, by the time they've tramped around school, back and forth to the canteen, gym, and all the other hangouts around Trojan Town.

Friendliness Prevails in N.H.S.

More familiar people! One thing nice about New Castle High School is that no matter where you are—in the classroom, in the halls, in the offices—you see people you know. This is what makes our school such a friendly place. This is one of the reasons for New Castle's fine sportsmanship which has been shown throughout the years. This is why our school has such a high percentage of honor students and other outstanding students. This atmosphere of friendliness, understanding, and unity all help make the school that we know so well. Our "Alma Mater"—New Castle High School.

Faculty

Here we see some of our faculty and parents attending a P. T. A. meeting. They're listening to a panel discussion sponsored by the Student Council. You will find the faculty section on page 12.

Seniors

Mr. Reed and his senior history class. This is just a peek into one of the many and varied classes that goes on in NHS during the school day. Page 24 will give you more about the seniors.

Underclassmen

Movies are also a part of our school life. These have proven to be both educational and interesting. These are all underclassmen that are attending this one particular movie. More pictures of underclassmen are shown on page 40.

Activities

On page 52, you will find our Activities Section. Here we see our band in formation. This is another of our high school's many activities. Some of the others are the choir, orchestra, **Rosennial**, **Phoenix**, and many more.

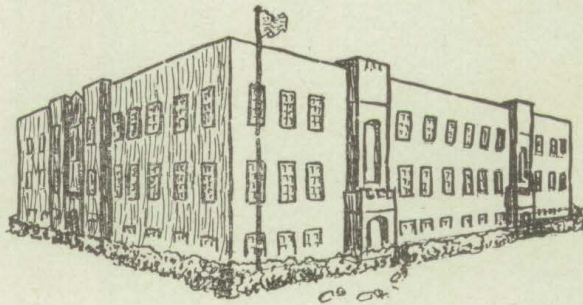

Clubs

Now we see a picture of our Student Council in action. This club, plus many, many others, renders numerous services to our school and community. Our Club Section starts on page 70.

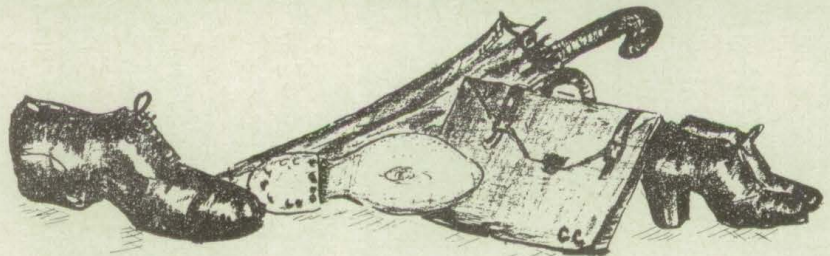

Athletics

The last section of our book is the Athletic Section. It begins on page 86. This is, however, by no means the least important. We have one of the most varied sports programs in the state.

FACULTY

Down the halls of NHS come a group of our teachers, fond and dear.

MR. E. S. CASTOR
Principal
A.B., M.A. Ball State Teachers College
Graduate Work, University of Chicago

The Class of 1949, which has made this yearbook possible, has contributed no little share in the carrying on of worthwhile school experiences. Throughout its four years, it has contributed much that is fine and constructive in this high school. As the members of this class grew in experiences, their contributions became more important and in their final year, their goals have been reached. Our school should be a better place because of the work of this class.

Now, at the end of your high school career, may we wish for each of you of the Class of 1949, the best of everything that the future holds for you. May you find that your work in this school helps you in making future life adjustments that will be happy, wholesome, and satisfying. May you remember that the rest is up to you. Your life will be what you make it.

God give us men. A time like this demands
Strong minds, great hearts, true faith and
ready hands!

Men whom the lust of office does not kill,
Men whom the spoils of office cannot buy,
Men who possess opinions and a will,
Men who have honor, men who will not lie.

* * *

Tall men, sun crowned, who live above the fog
In public ditty and in private thinking.

—Josiah Gilbert Holland.

You have done it! The days have passed and four years have been spent in study and recreation, with friends and classmates and now you are graduates. The future is filled with opportunity for those who aspire and work. Your own separate case depends on how you have viewed and accepted opportunity up to the present. Every day you have had your chance. Every day you have set your pattern. Every day you could have succeeded. We hope and trust that every graduate sees a bright road ahead based on a vision of serving his fellow men.

We Attend

Cadet Teachers

Cadet Teachers assist teachers in grade schools and junior high. They take charge of reading, spelling, and numerous other classes. These cadet teachers are learning while teaching. Row one: Nancy Itermann, Barbara Pate. Row two: Mary Garrard, Marjorie Tapscott, Gail Modlin. Row three: Bob Davis, Donna Greig.

Girls Gym

Two years' physical education is required of all students graduating from high school unless they are otherwise excused. The girls here are taking tumbling while another part of their class is playing volleyball. In line with the modern trend of education, it is just as important to train the body as the mind.

Varied Classes

English

A Rosennial would not be complete without a picture of Mrs. Rogers' senior English class. In this class, advanced English is taught in preparation for college work. It is a must if you are planning on going to college.

Library

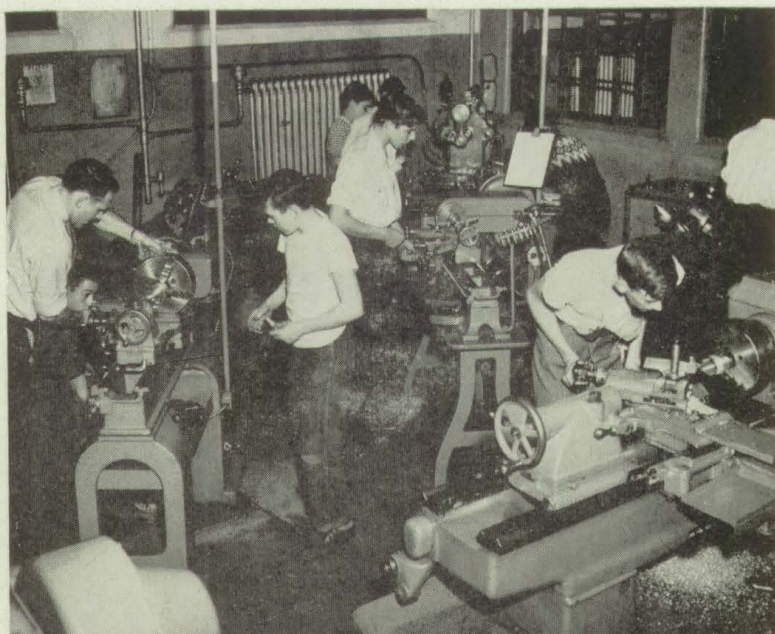

In the center of all the hub-bub of high school life there is one place where the more industrious students may go to study. This is the library where Miss Martha Nutt is always ready to lend a helping hand.

Art

Is it an art school? No, this is the art room where, under the able direction of Miss Mary Manifold, students are taught to develop their natural talent. Posters, decorations for dances, and many other artistic works are created here.

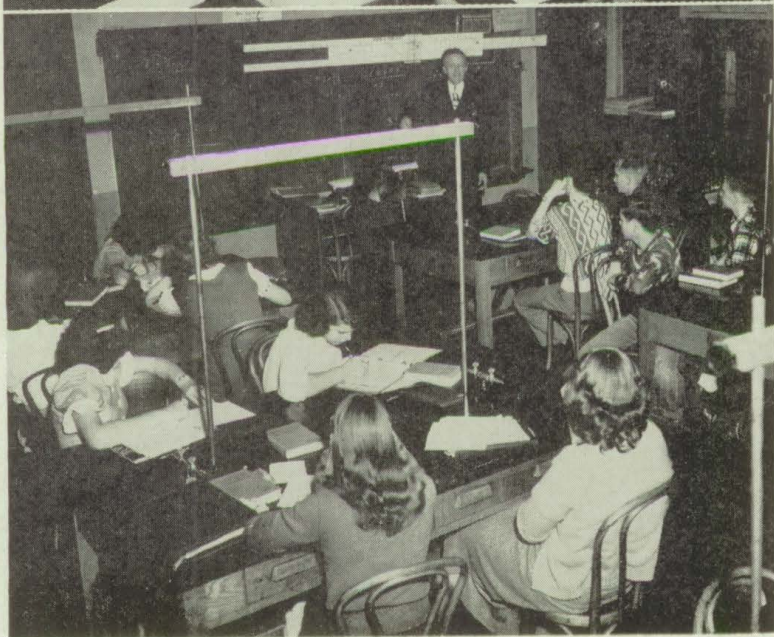

General Shop

This is a picture of the general shop class in action. Boys taking this course learn how to run different types of machines such as Sebastian Lathes and Monarch Lathes. They make lamps and many other useful ornaments. Here we see Mr. Lee helping a boy adjust his machine.

Typing

Clickety-clack, clickety-clack. This is what you will hear if you venture past Room 115 any period of the day. Three semesters of typing and one semester of transcription are offered in our school. We have several student teachers from Ball State helping teach these classes.

Freshman Algebra

The unknown is X. This is the basis of algebra—to find the unknown. Mr. Ivan Hodson is seen here illustrating a problem on the board to his freshman algebra class.

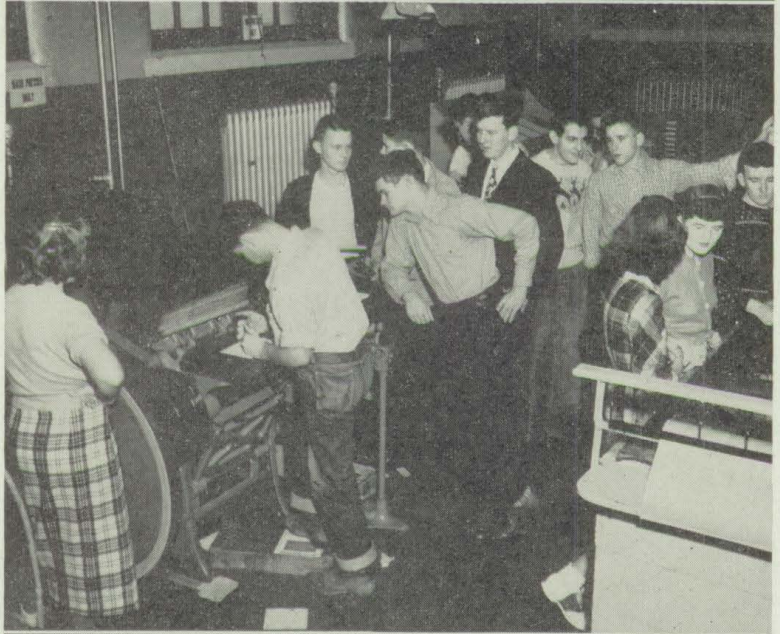

Senior Dramatics

These lively looking students are studying to be famous actors and actresses. They helped produce a program of skits and short plays this fall called *Curtain Call*. During the holidays they produced several other short plays, all carrying out the Christmas theme.

Printing

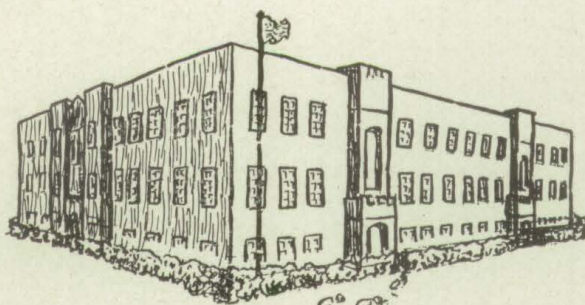

Our high school print shop does all the printing for the school besides much of the Parent-Teachers' Association printing. They also put out our school paper, the *Phoenix*.

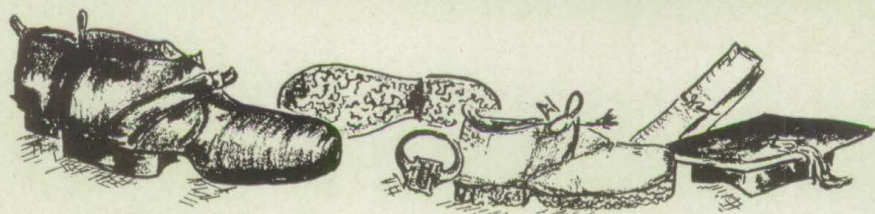

Radio

For the last several years in high school there has been a radio class. This class gives announcements every day over the public address system and once every week gives a Bible program. They have made announcement period an enjoyable part of school life.

SENIORS

June Wadman, secretary; Bill Palmblade, vice-president; Eldora Ankrom, treasurer; and Jim Dailey, president, guide the class of 1949.

We Step Into the Future

Our footsteps are now echoes in the halls of dear old NHS. For four years, we traveled the polished floors and climbed the crowded stairways.

These things are now tucked neatly away in our memory book along with our first day in high school, our exciting sophomore year when we began to feel just a little older, our glorious junior year when we were sixteen, and finally our senior year filled with so many marvelous events.

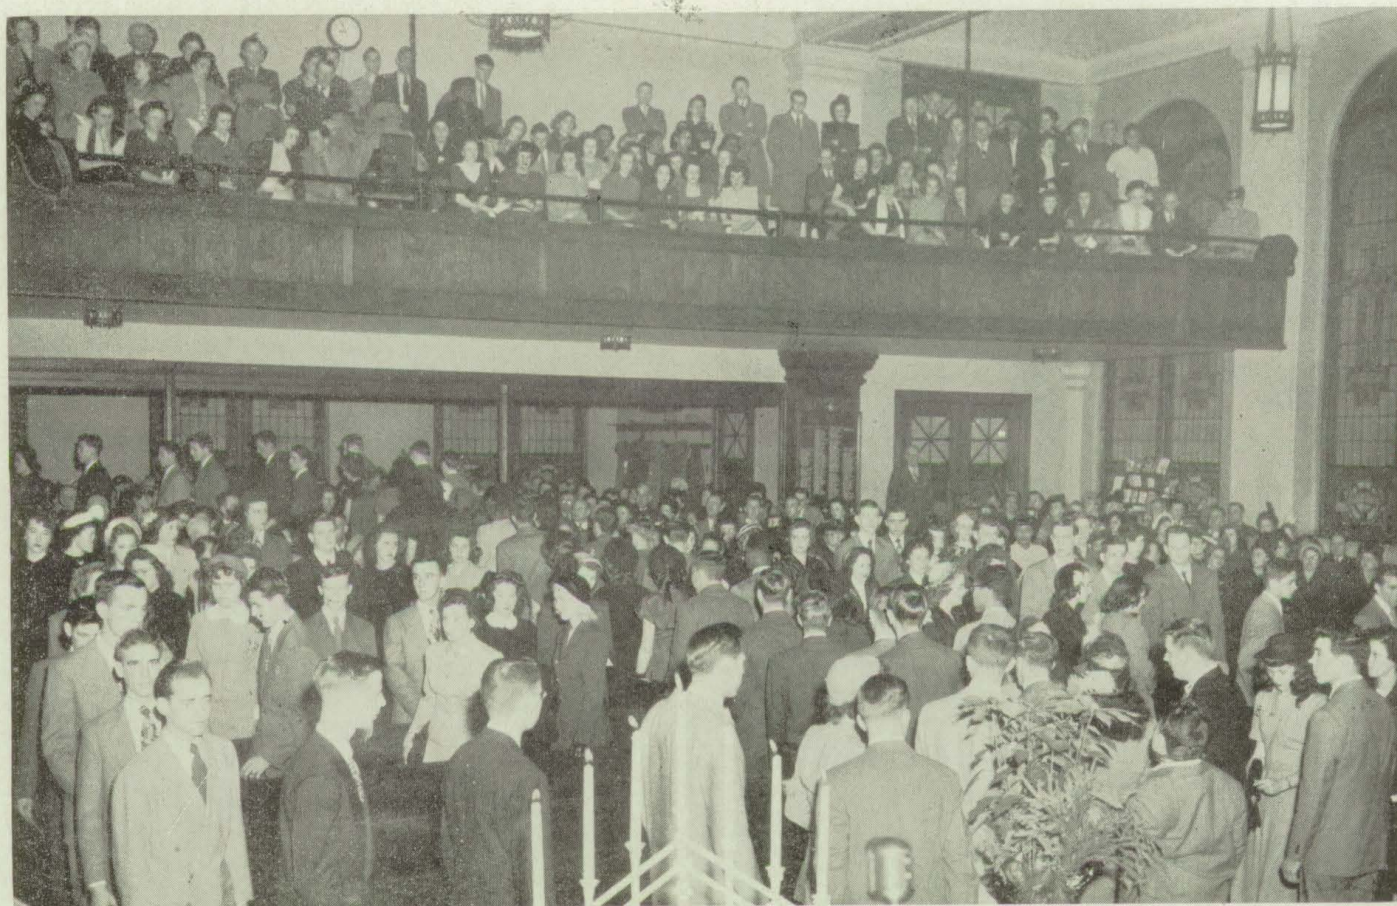

The first two years in high school we built a strong foundation for our class and by the time our junior year rolled around we were well prepared to elect our officers and plan an outstanding Prom. We elected Jim Dailey as our president, Bill Palmblade as our vice-president, June Wadman as our secretary, and Eldora Ankrom as our treasurer.

One of the first important events of our senior year was Senior Vespers. This was the first time that we marched in as a class, the class of 1949—the largest ever to be graduated from NHS.

During the second half of our junior year, some of the members of our class were elected to National Honor Society and some were appointed to the Rosennial staff. Highlighting the last month of our junior year was our Prom. Those who attended will never forget the beautiful decorations and the wonderful time they had.

On September 13, 1948, we came back to school determined to be the best class as well as the largest class that ever graduated from NHS. We re-elected the same class officers and got off to a successful start on our senior year. We chose Twilight Blue and Burgundy as our class colors, and ordered our invitations and enclosure cards for Commencement. We chose "Knowledge is the treasure, but practice is the Key" for our motto.

Before we realized, it was time for Senior Vespers; then all too soon came Class Day, Baccalaureate, and finally Commencement which ended our wondrous school years.

Senior Activities

Three smiling seniors, Betty Lou McClain, Raymond Singleton, and Charley Davis, are exchanging enclosure cards. After we exchanged cards, we spent the rest of the day signing Memory Books. This was truly a memorable day in our lives as seniors.

Each senior class chooses class colors and the class of 1949 was no exception. Mary Turpin, Katherine Rickert, Doyle Sutton, and Paul Amonett pondered over their choices, but they finally decided on Twilight Blue and Burgundy. The majority of the class also voted for these and they became our colors. Thus, we laid another stepping stone to the big day — Commencement.

UNDERCLASSMEN

Underclassmen Jerry Raines, Kay Morris, and Herbert Bunch pass to class while Sibyl Stout, the senior, watches nonchalantly.

ACTIVITIES

A group of students gather at the canteen every evening.

Our Dances

Margery Warnock, queen of Harvest Hop, led the Grand March with her escort, Jim Reno. Margery carried a bouquet of red roses given her by the Hi-Y Club.

The Sun Shine Society gave their annual dance, the "Snow Ball" during Christmas vacation. Sibyl Stout was crowned queen.

Attracting the largest crowd of the year was the Junior Prom with dancing, entertainment, and refreshments. It looks like the refreshments were a mighty important part of the fun to Bob Stegner.

Village Green is Prom Theme

On the village green, politicians Glenn Crane (candidate for the Democranes) and Charlie Davis (candidate of the Repelican Party) stressed the importance of a new and glamorous type of entertainment. Each man introduced versatile entertainers representing his respective party.

The first to highlight the program was Mary Alice Todd, who tapped to the tune of the "Dickey Bird Song." Impersonating Al Jolson was the animated, blackfaced Jack Grose. Jack sang "Mammy" and "California, Here I Come." Nancy Epperson sang "Blue Moon" in the artistic style that is all her own. Jeanne Harvey, dressed in an oversized nightgown and hat with a bird cage, sang "Hooray! Hooray! I'm Going Away." Also a success was the duet of Gene Robinson and Lula Reavis, who sang "The Stars Will Remember."

Jim Dailey, senior class president, is placing a crown of white carnations on the queen, Bunny Jones, in the upper left picture.

The 1948 Prom Queen

BUNNY JONES

She was meant for us
To reign most glorious,
Nature patterned her
And when she was done,
She was then our Prom Queen, and the only one.
She's like a plaintive melody, that never sets
us free.
We're content, the angel must have sent her
And we made her our Prom Queen.

and Court

"I crown you, Bunny Jones, Queen of the 1948 Junior Prom"—These words by Jim Dailey climaxed the biggest social event of the year—our wondrous and unprecedented Junior Prom.

The queen's six attendants were Audrey Adams, Eldora Ankrom, Linda Harrison, Joan Summers, June Wadman, and Lula Reavis. A white satin banner with "Prom Attendant '48" in silver lettering was placed across each girl's formal as she was brought to the stage by escorts from the junior dramatics class.

Typifying the theme—The Village Green—large, willowly trees arrayed with all shades of green leaves overshadowed the gym. On the dance floor was a white picket fence enclosing the orchestra of Bob Armstrong. Above the orchestra hung a large multi-colored canopy. Adorning the stage to resemble a public square were banners, balloons, and streamers.

The seniors of 1949 will never forget the wonderful time they had at the Village Green—the 1948 Junior Prom.

Our Band Encourages

Stepping high for NHS in the field of music is our band under the excellent supervision of Mr. Phil Gates.

A vital part of NHS school spirit, the band is led down the field by John Logan and the seven majorettes with flags waving and plumes flying. Playing both popular and classical music, they gave every fan a thrill between halves at the home-football games. At basketball games, they were all there above the south basket to add pep and enjoyment to the whole atmosphere throughout the game. The band gave everything they had to make the pep sessions a success by playing such songs as "Oh, You Basketball," and ever faithful "On New Castle."

The band is always ready to aid the community with such exhibitions as the one presented during the half of one of the football games for the Community Fund's Red Feather Drive.

School Spirit

The Brass Choir was organized last year by Mr. Gates for the State PTA Convention at Indianapolis. Ever since then this group has played for many occasions. The members of the Brass Choir are Harold Longworth, Louis Poindexter, Bob DeWeese, John Logan, David Wardlow, Charles Rhinehart, J. C. Addison, Porter Poindexter, and Jim McQuire.

Besides the band, NHS is proud of its orchestra which is also directed by Mr. Gates. The orchestra plays in full dress at Commencement, Baccalaureate, Crescendo Varieties, and the class play, in addition to two complete concerts.

Their guest artists have been Mr. George Newton, baritone, and Mary Spaulding, harpist, from the Indianapolis Symphony.

at Concerts

The string ensemble is just about the busiest musical group in school. They play for banquets, church and fraternal groups, and neighboring commencements as well as the Business and Professional Women's annual May Breakfast. The members of the ensemble are Gail Modlin, Herbert Lewis, Lula Reavis, John Chesick, and Marilyn Copeland.

Our Choir Provides Background for

The choir, under the direction of Mr. George Small, is a vital part of the music department of NHS.

At Baccalaureate, Senior Vespers, Commencement, the concerts and many other school activities, the choir is always there in its familiar blue and white robes to entertain us with old and new music, both classical and popular.

Those members of the choir elected to attend the State Choral Festival at Indianapolis were Glenn Crane, Bob Mattox, John Logan, Harold Longworth, Gene Robinson, Lula Reavis, Keith Hinshaw, Eldora Ankrom, Sue Meadows, Barbara Curlett, and Barbara Harter.

"Our Hearts Were Young and Gay"

The 1948 class play, "Our Hearts Were Young and Gay," was a delightful comedy based on the book by Cornelia Otis Skinner and Emily Kimbrough and adapted for the stage by Jean Kerr.

The plot concerns the escapades of Cornelia, played by Pat Armstrong, and Emily, played by Marilyn Payne, who were determined to prove how "mature and cosmopolitan" they could be on an uproarious trip to Europe.

On the boat they met two handsome medical students, played by Frankie Lawson and

Jim Collum, who provided the romantic interest.

Barbara Beall, as Mrs. Skinner, and Bill Thompson, as Otis Skinner the famous actor, also added to the enjoyment and hilarity of the play. Others in the cast were Ruth Ellen Cline, Mary Ann Foyst, Armilda Romine, Joycele Scott, Patty Ellis, Bob Mattox, Scott Lindley, Joyce Crider, Sue Hilbert, Phyllis Bunch, Bob Spencer, Arzella Thompson, Gene Hastings, Bob Bavender, and Jerry Charles.

Emily, Marilyn Payne, plans and schemes to meet Dick Winters, a young medical student, Frankie Lawson, on the boat to Europe.

Leo McEvoy, Jim Collum, pleads with Cornelia, Pat Armstrong, in a scene from the '48 class play.

Curtain Call Crew

CURTAIN CALL, the dramatics fall variety show under the direction of Mrs. Louise Deyoe, played three nights at the high school gym. Four one-act plays and two skits were given by the junior and senior dramatics classes.

In "The Three-Timer" pictured in the upper left corner, Mary Garrard, with the gun, gets her way as Linda Harrison, Mary Alice Todd, Edna Stokes, Nancy Harding, and Jeanne Harvey look on horrified.

Bud Hawkins is swept off his feet as he talks to his one and only in the play, "The Great Allowance Battle." Jo Ann Johnson, as sister, and Jeff Davis, as the kid brother, think it's very silly; while Harold Franklin, as Father, and Lois McFarland, as Mother, wonder what the younger generation is coming to.

Below, Don Scott, as the toreador, conquers the bull, played by Janet Harrison and Rosie Rector, in the play, presented by the juniors—"El Toreador." The senioritas were, from left to right, Pat Beeman, Jackie Greig, Doria Dann, Joan Thompson, Pat Clift, Ruth Davis, Verna Dalton, and Myra Niles.

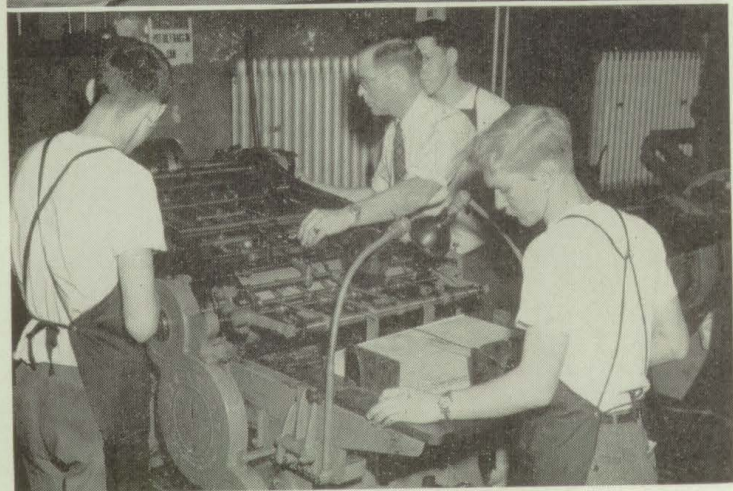

The other plays presented were "Smoky Rides Again", by the senior boys; "I'm a Fool", by the junior class; and "A Modern Wedding", a skit presented by the senior girls.

Phoenix Staff in Action

Upper Picture — Editors Donna Greig and Jack Grose re-check the **Phoenix** for errors while Charlie McGinnis and Bob Davis, business managers, look on.

Second row: Pat Beeman, Virginia Andrews, Anna Marie Smith, Helen Shaffer, Jerry Fennell, Herbert Prizeman. Third row: Joe Carter, Bill Kennedy, Gene Ballenger, Larry Sherry, Bob Davis, Bob Roseberry.

Miss Frances Halberstadt is the editorial advisor for the paper, and Mr. Bernhardt Beguhn is the printing advisor.

Tomorrow's Citizens are Chosen

JUNIOR ROTARIANS

Eight senior boys are chosen each year by the National Honor Society to be Junior Rotarians. Each boy attends Rotary Club meetings for one month. It is the club's purpose to acquaint the boys with men of the community and with the civic problems that will face them in later life.

Chosen for outstanding activity in such fields as music and athletics, the Junior Rotarians for the year were Jim Dailey, October; Keith Hinshaw, November; Harold Longworth, December; Stanley Meek, January; Gene Robinson, February; George Small, March; Bob Stegner, April; and John Jordan, May.

ALTRUSA GIRLS

A committee of faculty members elected ten senior girls to attend the meetings of the Altrusa Club, a civic club for the businesswomen and teachers of New Castle. These girls, who have a definite vocation in mind, are chosen on the basis of probability to succeed, leadership, service, and dependability.

Altrusa Girls for the year were Bunny Jones, Norma Jean Stewart, Betty Lou McClain, Katherine Rickert, Eldora Ankrom, Patty Grimes, Edra Conway, Betty Griffin, Mary Turpin, and Donna Greig.

Rosennial Staff

Once a year, whatever the weather, the yearbook appears in NHS, and with it goes the strain and worry of the staff.

The members of the staff have dashed wildly from place to place on some important business, as they so proudly called it. They have faithfully endeavored to snap every member of the school, from the Superintendent to the janitor's dog (if there is one), and, at the risk of the photographer's camera, there has been an individual picture taken of every teacher, senior, junior, sophomore, and freshman. In this illustrious and famous book, also appears in detail the accomplishments of the athletes, orators, and dramatists of the school. In short, the sole purpose of the book is to preserve in print and pictures the gay high school life of New Castle High School.

Although the staff has had to face many difficulties, they have tried to the best of their ability to produce a year book for the enjoyment of everyone.

This year the staff was completely new, all the way from the staff to the advisor, Miss Frances Halberstadt, who has given some wonderful help and ideas.

The hard working staff members have tried to come up to the expectations of the student body by making the year book snappy and full of pep.

We've tried to make this a record
That is pleasing for all to read,
And portray our high school history,
Both the doer and the deed.

There's lots of room for improvement,
It is far from perfect we know,
But we offer the best of our effort,
Not thinking of pomp and show.

FIRST ROW—Betty Ritter, Bunny Jones, Jeanne Harvey, Jo Ann Johnson, Nancy Begeman, Nancy Harding, Eva Blackburn, Edna Stokes, Frances Halberstadt, advisor.

SECOND ROW—Bud Hawkins, Johnny Jordan, Bob Davis, Sibyl Stout, Neel Davis, Charles McGinnis, Larry Barry, Jim Goff, Linda Harrison.

Puts Best Foot Forward

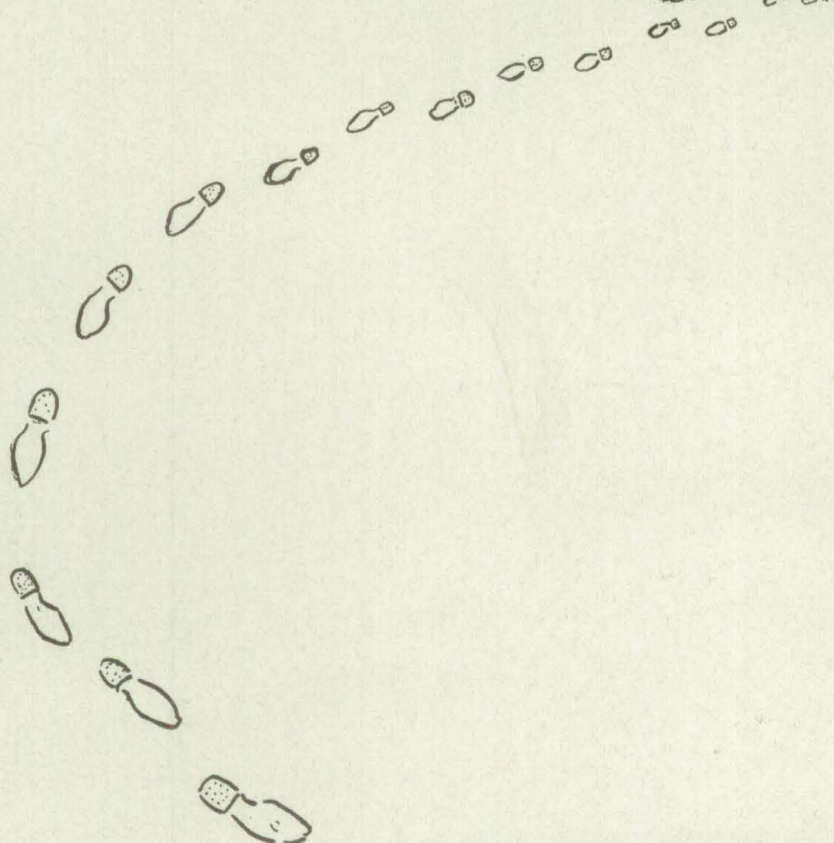

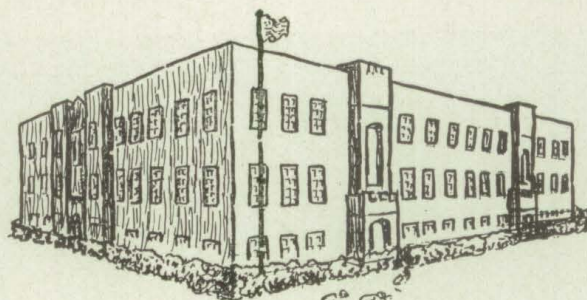

Upper left—Neel, Larry, Bud and Nancy, staff artists, look over art layouts for our book. Art work on the opening section and division pages was done by Neel and Nancy. Bud and Larry were in charge of the opening section.

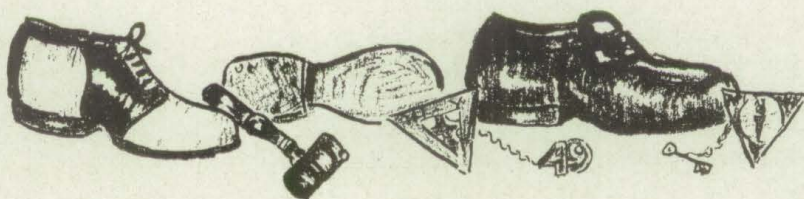

Upper right—Jo Ann, editor, and Jim, business manager, discuss the dummy with Miss Halberstadt, advisor. The dummy, first sample of the 1949 Rosennial, was always in demand.

Lower left—Sibyl, faculty editor, discusses pictures in her section with Miss Halberstadt, while Nan, activity editor, helps Edna, underclassman editor, with the copy. Charles McGinnis, club editor, checks club pictures for last-minute corrections.

Lower right—Linda and Betty, senior editors, look over the dummy. Bunny, activity editor, discusses picture schedules with Jeanne, the picture editor.

The Canteen Council

The canteen council of "Club Troy" has accomplished many things this past year. The boys on the council painted the walls a light green and the ceiling an off shade of white, while the girls cleaned the rooms. A coke dance was held along with several parties and swims.

The officers of "Club Troy" are Bunny Jones, president; Joe Carter, vice-president; Pat Clift, secretary; and Charles Grubbs, treasurer. The club sponsors are M. Howard

Brammer, Mrs. Max Forsyth, and Mrs. Margaret Mackey.

The council is made up of members of the various clubs and organizations. It makes rules and regulations, sees that they are enforced, and takes charge of "Club Troy" in general.

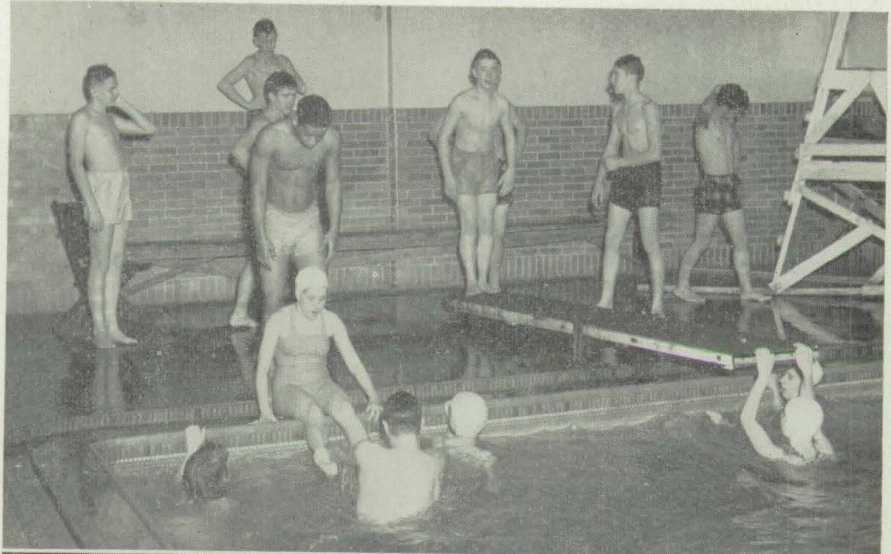

"Club Troy" is open three nights a week to its members—Wednesday, Thursday, and Friday nights. Memberships were sold by members of the council. Swims are held every Wednesday at 7:00 P. M.

Governs Club Troy

Every Wednesday evening the Canteen Council holds a swimming party. Members usually swim from 7:00 to 9:00. Here you get a glimpse of them in action.

The Coca Cola Bottling Company held a "Coke" party for the students of N. H. S. Everyone is gurgling coke and enjoying it.

One of the first bonfires that N. H. S. had had in a long time was after the mighty "Trojans" had tied Muncie Central. The entire city celebrated that night.

ATHLETICS

Seniors Bob Stegner and Gerald Archey talk over past thrills with their ex-boss, Langan Hay. Basketball, always around the corner from football, gets its start when Charles (Chuck) Stuckey sees Jim Dailey and Keith Hodgin and gives them the inside dope.

"To the victors belong the spoils." That is the old saying which was put to use by this year's football team.

The trophy you see in the picture above is just one of the "spoils." Each of the first twenty men on the varsity received a little bronze medal and a green jacket with a white "N" saying, "N. C. C. Champs."

In addition to the awards, the boys were feted at many banquets.

It was a happy bunch of boys that took showers after the Marion game. They had just finished an undefeated season. If you think that is an easy job, ask Coach Hay.

Not much more can be said that hasn't already been said, except, we will never forget the "48" football team.

Climaxing Undefeated Season

Walter Hassfurder, assistant coach, L a n g a n Hay, football coach, and Bobby Lee, track coach, all pitched in to make a successful season.

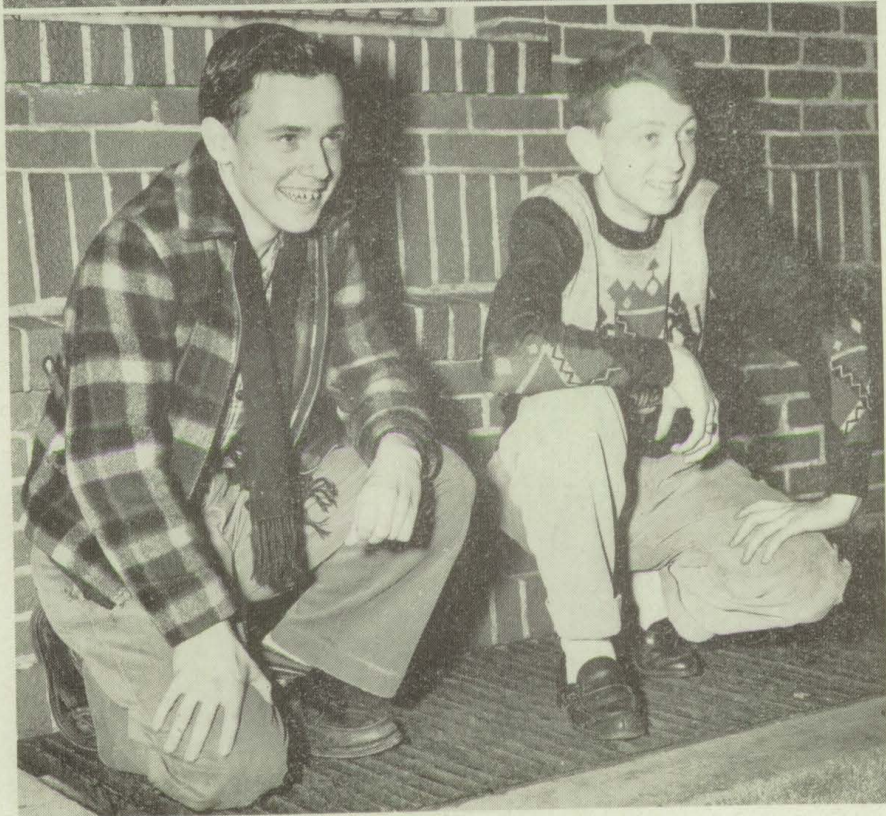

- Row 1. Cassidy, Schetgen, Jones, Crane, Alexander, G. Archey, Hodgins, Justice, J. Dailey, Taylor, Meek, Stegner, T. Dailey, Hay.
- Row 2. Hassfurder, McFarland, Smith, Whalen, Ginn, Bunch, DeWitt, Tower, Ellis, Wright, Wiles, Downing, Bassett, Moody.
- Row 3. Lee, Turner, Sweigart, Stokes, Edwards, Burke, Platts, Stohler, Ford, Williamson, S. Archey, Scott, Sutherland, Warmouth, L. B. Taylor, Simmons.

Jim Dailey and Jerry Ellis, co-captains, talk over the experiences they and the team have had throughout the season with Head Coach Langan Hay. Jim, a senior, gained 772 yards on the ground for an 8 yard per try average, while Jerry led the Trojan backs with 930 yards for a 10 yard try average.

Don Crawley and Junior Anderson, the ever present managers, did most of the work and sweating when it came to taking care of the uniforms and locker room.

"Meet the Challenge." That was the battle cry of head football coach, Langan Hay. "His Boys" did meet the challenge. The Mighty Trojan team came through their season undefeated in nine starts. The record: eight wins against one tie. Under the guidance of Coach Hay and assistant coaches, Lee and Hassfurder, the team now sports a proud record.

As the season opened the Trojans entertained the Hartford City Airdales. The Haymen didn't lose any time in getting down to business, and when the Airdales left their heads were still ringing to a sweet little tune that said, New Castle 25—Hartford City 13.

Pointing our binoculars south, we focused our sights on a town called Columbus. It was a sad Friday night as the Columbians watched their team being drubbed into the ground by a fast and charging New Castle team. The next day the Columbus paper said, "New Castle has one of the best lines we have ever seen." But that thought was passed to one side when we thought of the score, New Castle 26—Columbus 7.

Now at long last we were getting back some of the prestige that we lost last year and becoming a little "cocky." Richmond almost took the wind out of our sails, but we managed to squeeze past them. It was a hard-fought game with Jim Dailey dropping that much talked about touchdown pass. That pass was overshadowed by only one thing, the score, New Castle 13—Richmond 12.

Not to be misled any more by the reports on how weak a team is, we settled down and sent Connersville reeling the next Friday. They never knew what hit them, and we were still looking for Trojan backs after the game had ended. The score, New Castle 37—Connersville 2.

During football season, Anderson, New Castle, and rain seemed to go together. We paid a visit to the Anderson war grounds and left the Indians scalpless. This game, one of the roughest games for the Troy Men throughout their whole campaign, marked our fifth victory, New Castle 32—Anderson 20.

With five victories behind us, we donned our traveling outfits and headed for the Tech of Indianapolis stadium. It was a hot Friday afternoon and we weren't at our best. Fancy stuff wouldn't work so the ball was fed to "Big" Tom Dailey and he plowed for our only marker, New Castle 7—Tech 0.

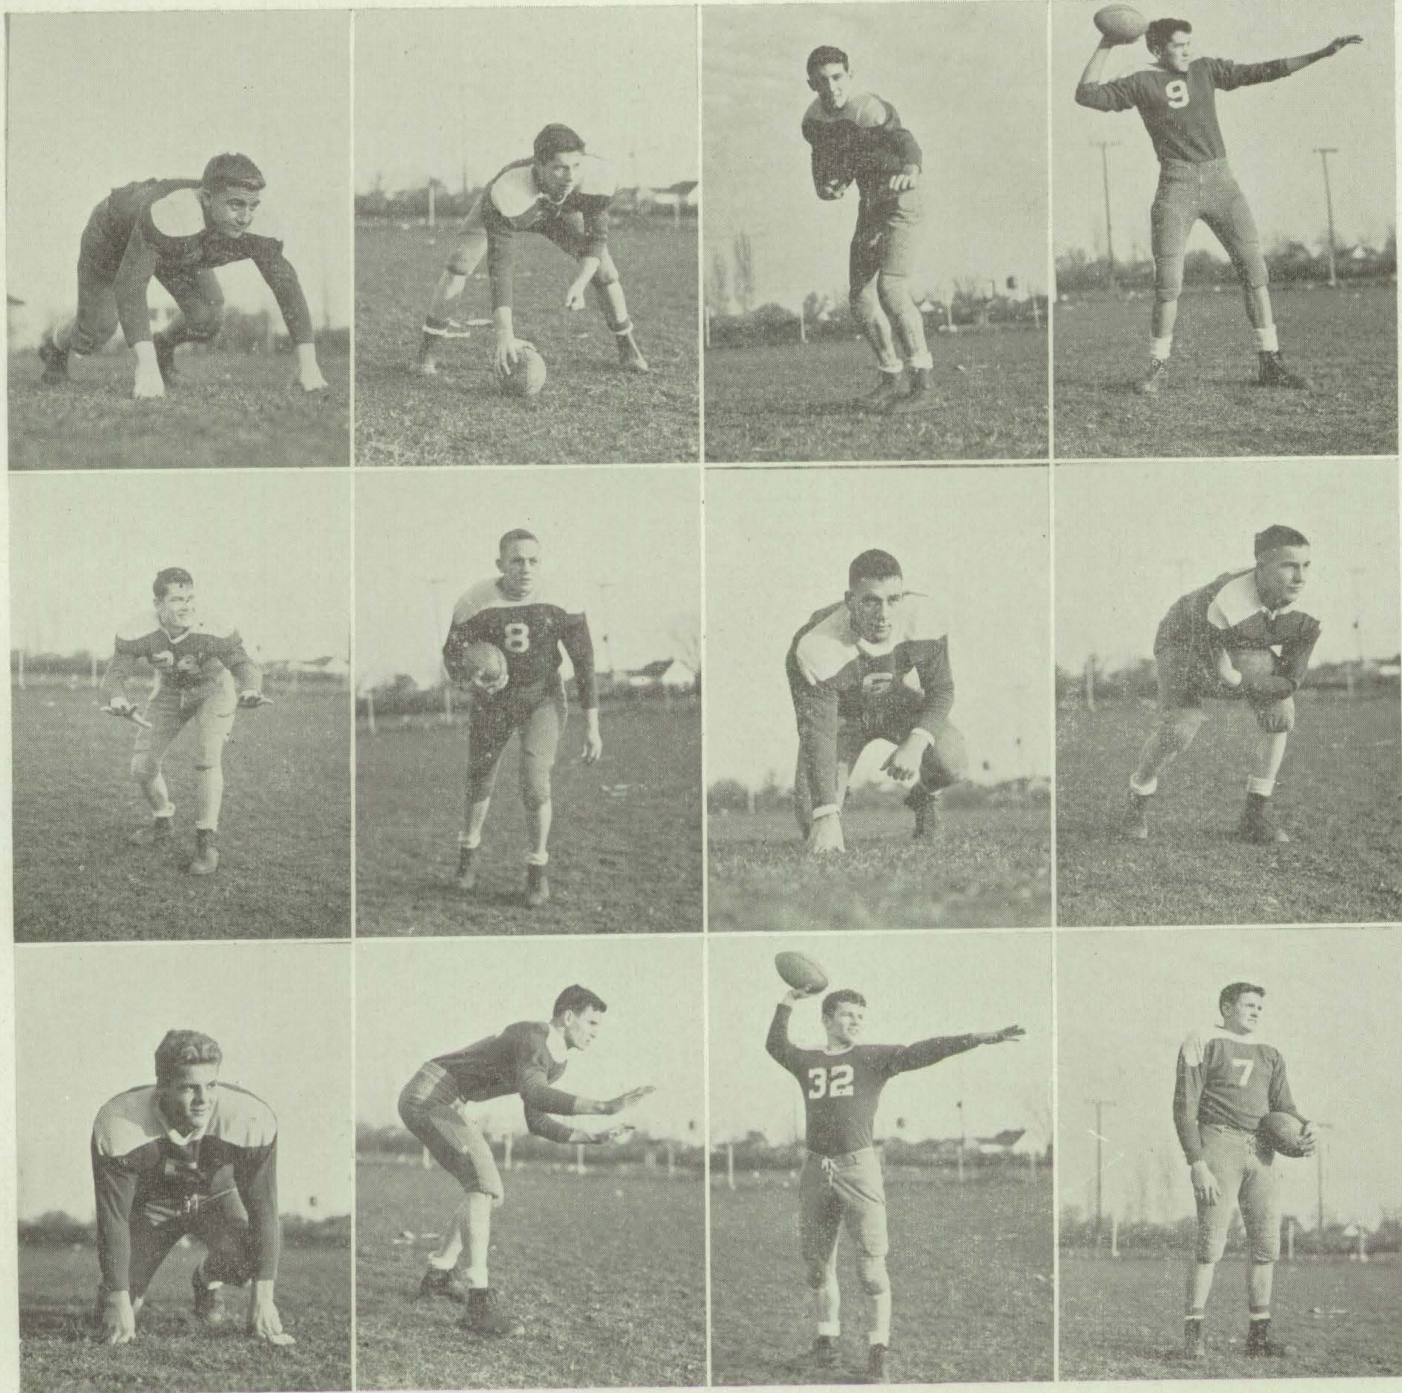

The last home game of the season was now on hand with Huntington paying us a visit. We made up our minds to give the fans a good show. The line displayed good blocking while the backs furnished the "razzle-dazzle." Not once were we obliged to punt, New Castle 34—Huntington 13.

Our game with the Muncie Bearcats almost knocked us out of the conference race. The Trojans went into the game a little shaky and played Muncie the first half with the Cats ahead 13 to nothing. In the second half we played football and made one of the best comebacks ever accomplished by a high school team, New Castle 20—Muncie 20.

It was now time for our last game of the season and it had to be a win in order for us to tie with Lafayette. In the Marion game we made another spectacular comeback and this time we were 2 points behind with 35 seconds to go when they kicked off to us. There were 11 Trojan savages out there on the field and four plays later "The Mighty Trojans" were on top as the game ended, New Castle 19—Marion 14.

Row 1. J. Schetgen, G. Archey, R. Justice, and J. Alexander; row 2. J. Dailey, S. Taylor, and G. Crane; row 3. R. Stegner, C. Jones, and S. Meek.

Left to Right, Row 1.

Don Smith—5'10"—175 lbs.—"Smitty" was one of the best tackles on the line this year and was outstanding on defense. Don, a junior, will be back next year and is expected to have a wonderful time in the opponents' backfields.

Steve Taylor—5'10"—150 lbs.—Imported from New Jersey, Steve finished his third year of varsity ball. "Jolsey," center for the past two years, will be missed next year when the call goes out to start football practice.

Jim Dailey—5'11"—165 lbs.—Jim, another senior, had the eyes of a few college coaches and he kept those eyes open with his spectacular runs. Jim made the fourth all-state team. Many of the boys have played their last game, but not this athlete. Watch for him in the future.

Dick Whalen—6'2"—170 lbs.—"Hands" was our quarterback and passer. Passer—does that sound familiar when his name is mentioned? If it doesn't, just look at the newspaper statistics and you will see why this junior was the top quarterback of the team.

Row 2

Rodney Ford—5'11"—160 lbs.—Rod, our sophomore end, didn't see too much action this year but look for him in the future to be out there giving it all he's got.

Jack Wright—6'-155 lbs.—"Rabbit" was our defensive halfback. Defensive halfback is exactly right too,

because he was tops in that league. Knocking down enemy passes was his specialty.

John Cassidy—5'10"—170 lbs.—John was one of the best guards on defense and offense. Only a sophomore this year, he can be expected in the lineup for the next two years.

Jack Alexander—5'9"—145 lbs.—"Alex" was underrated at the start of the season, but you can't keep a good man down. Jack played his last year at halfback and saw most of his action on defense.

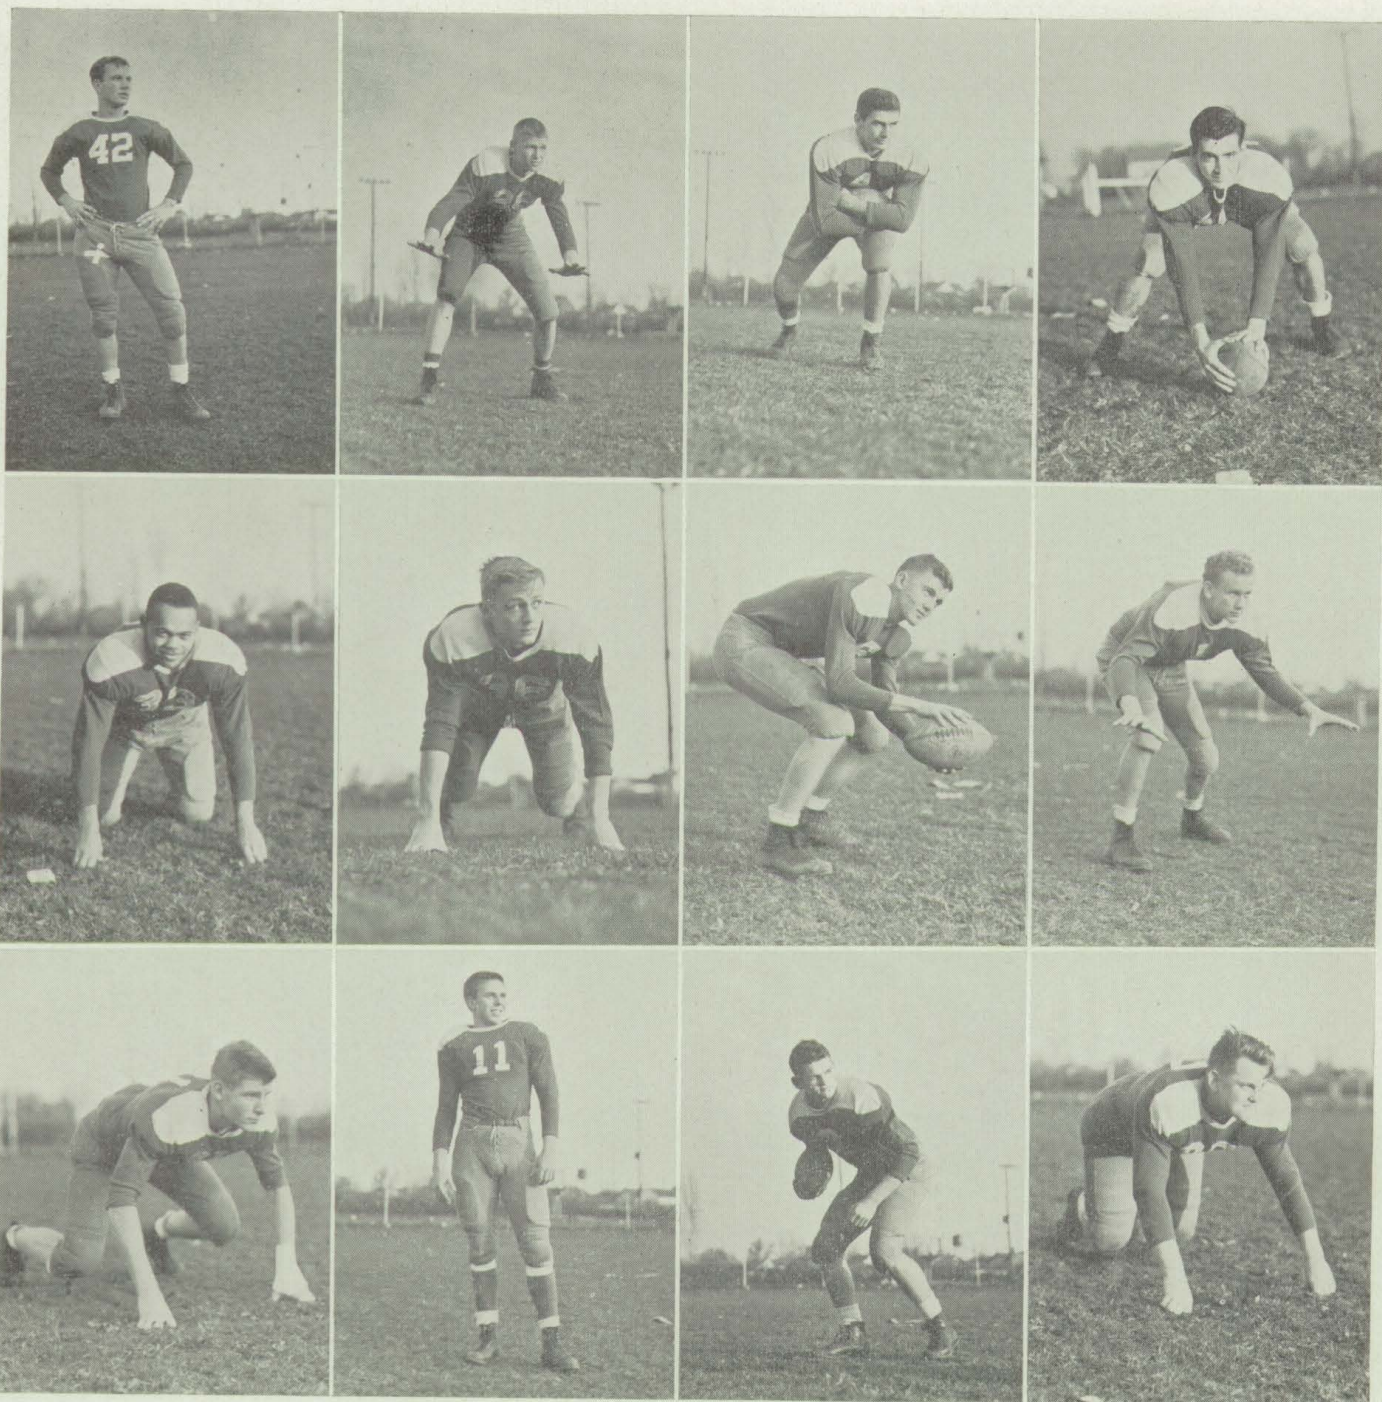

Row 3

Jim Schetgen—5'10"—160 lbs.—The position of right guard was held by this senior who was one of the hardest fighters and cleanest men on the team. When this boy ran interference, he was a welcome sight for the backs.

Stanley Meek—6'1"—170 lbs.—Stan starred in his senior year at tackle and received honorable mention on the all-state team. With Stan out of that line there will be a hole to fill next year.

Jim Moody—5'7"—130 lbs.—James was one of the smallest men on the varsity. If Jim listens to Hay, he will more than likely be a great quarterback.

Tom McFarland—5'11"—165 lbs.—"Mac" was what we called an all-around player. He could play almost any position on the team, but the position in which he starred was end. This boy, only a junior, will be back next year to see what he can do about having a winning team.

Left to Right, Row 1:

Jack Warmouth—5'10"-165 lbs.—Jack, the new mayor of Oak Grove, played his sophomore year at end and didn't see too much action. With two more years to go, he will more than likely prove that he belongs on the first eleven.

Keith Hodgins—6'-160 lbs.—Keith was one of the best ends in the conference and was a tough boy to get around. Finishing his high school career at end, he received honorable mention on the all-state team—a fitting end for a great athlete.

Tom Dailey—6'-180 lbs.—"Big" Tom was one of the biggest and roughest men on the squad this year. When it came to the point where we absolutely needed the yardage, the ball was given to Tom. Just a sophomore, he has two more years of football at his reserved position, fullback.

Bob Justice—5'9"-140 lbs.—Bob, a senior, finished his high school career at center and he will always be remembered by his teammates for his never-say-die attitude.

Row 2
Gerald Archey—5'11"-160 lbs.—Speed and this boy went together. He was the fastest man on the squad when he wanted to be. Gerald, playing his last year at guard, turned in his best game during the Anderson fracas.

Roger Burke—5'7"-140 lbs.—"Rog," who is just a sophomore, seemed to get along in the guard spot

and in the future you can look for this boy to be in there plugging.

Don Tower—6'-150 lbs.—Don, or as his teammates call him, "Wong," never heard of the terms "die" or "quit." A junior, he will be back next year to try to take over the quarter-backing of the team.

Herbert Bunch—6'1"-170 lbs.—Herb, an end, turned in one of the finest performances of the season in the Muncie game. He also caught the tying touchdown. He will be back next year to show the old-timers how it is done. He is a junior.

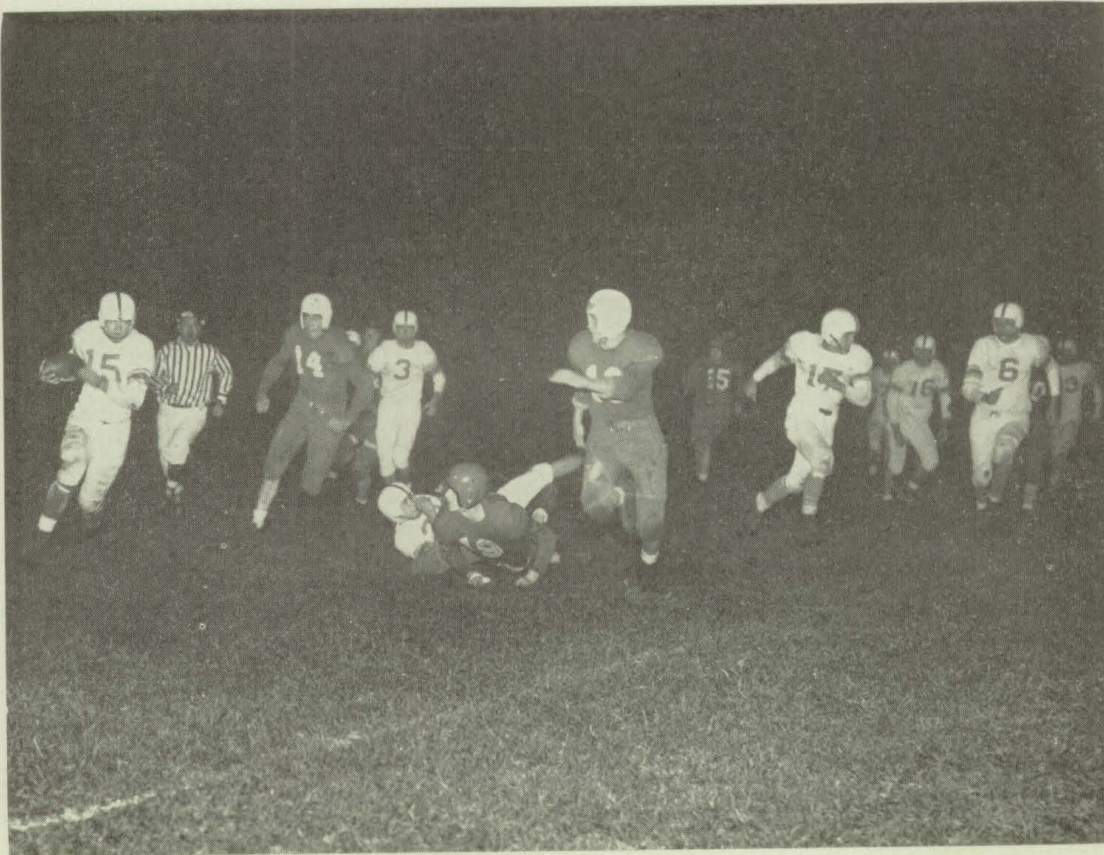

Row 3

Bob Stegner—6'-160 lbs.—"Preacher" was a mild man when he wasn't in uniform. Get that, when not in uniform. Bob finished his last year of football at tackle.

Glen Crane—5'9"-150 lbs.—Glen played his first year of football this year, which also was his last year. Playing halfback, he received the credit that was due to him.

Jerry Ellis—5'10"-160 lbs.—Jerry was the leading ground gainer for the Trojans this year and made the fourth team all-state. Since he's just a junior, you can look for this flashy back next year.

Charles Jones—5'11"-225 lbs.—"Tink" completed his gridiron career at NHS with a bang and the Marion Giants are still looking for the bomb that hit them that fateful Friday night. Not to be forgotten was his election to the second team all-state.

Jerry Ellis with the ball is scooting around end for a 40 yard gain. On the ground is Dick Whalen, after throwing a beautiful block into a Huntington man. Forming Ellis' interference is Jim Schetgen (17), Tom Dailey (16), and Herb Bunch (6).

Coach Hay gives co-captains Dailey (3) and Ellis (15) last minute instructions before the last half starts. Taylor (4) is listening on one side of Hay, while from left to right, Bunch, Stokes, Upchurch, Bassett and Ginn follow suit.

Row 1. Jerry Ellis, Jack Wright, Keith Hodgins; row 2. Calvin Cooper, Paul Robinson, Dick Whalen; row 3. Don Scott, Mal Edwards, Tom Dailey, Roger Burke; standing. Jim Moody, Bobby Lee, coach; Junior Anderson, Herbert Bunch, Jim Dailey, Gerald Archey, Don Smith.

THE TROJAN TRACK TEAM

Track is one of the sports in which N H S participates that nobody seems to know much about. Although the success of the Trojans on the cinders has been rather mediocre, the boys have been out working hard each spring. Jim Dailey, one of the best middle distance runners in the state, won state-wide acclaim for his ability in track. Jerry Ellis received honors for his high jumping record. Ellis, an all-round Trojan athlete, also ran the 100 yd. dash and the 200 yd. low hurdles.

Calvin Cooper excelled in the 880 yd. run while Tom Dailey developed into an expert shot putter. Jack Wright ran the mile and Kenney Bassett was the boy in the pole vault.

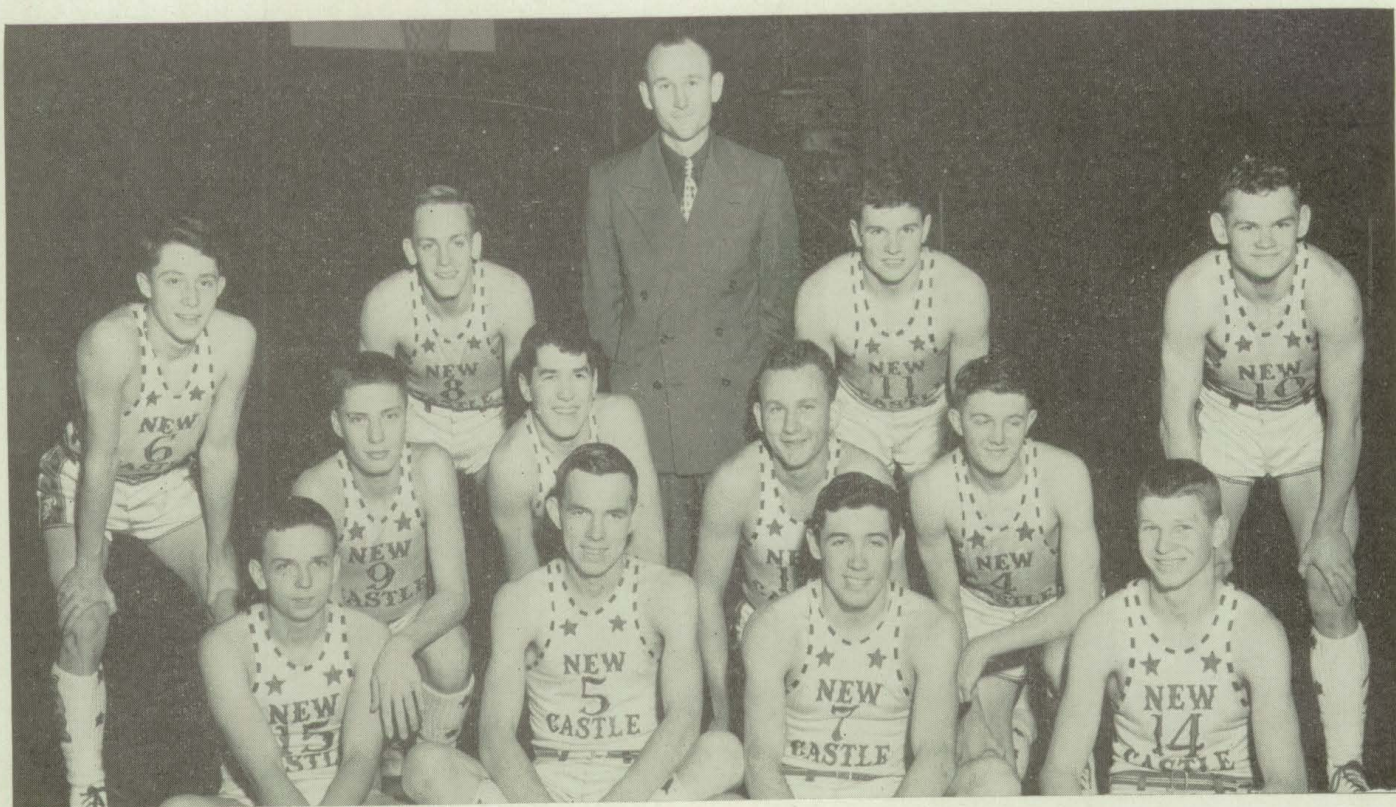

Among others who played an important role in the Trojan campaign a year ago were Keith Thurman, Mal Edwards, Keith Hodgins, Gerald Archey, Dick Whalen, Herb Bunch, Roger Burke, Paul Robinson, John Cassidy, and Stewart Archey.

Following is the 1948 Trojan track team record:

New Castle 45	Connorsville 65
New Castle 75	Knightstown 44½, Spiceland 38½
New Castle 59	Rushville 73, Middletown 15
New Castle 56	Hartford City 74

Besides these meets the Trojan tracksters finished last in the Muncie relays and also finished tenth in the North Central Conference meet.

THE TROJANS' TRAIL

Although the season's record of the '49 Trojans was not what the sportswriters of the state said it would be, the boys enjoyed a highly successful season. Including tourney games they compiled a 17 won and 11 lost record. With "Jack Rabbit" Wright and Jerry "Buck" Ellis powering the offense and Jim Dailey and "Pete" Whalen leading the defense, the terrific Trojans fought their way to the finals of the semi-finals, before succumbing to an inspired Auburn team.

Connersville was the first team to feel the Trojans' power, when the Troy-men came home on the long end of a 50-31 score. Anderson's Indians and Tech of Indianapolis tripped the Stuckymen, before Burris of Muncie was defeated, 49-45, as Jack Wright poured in 31 points. Next, was an overtime defeat at the hands of Greensburg, 53-51. The boys in green edged out Richmond, 48-47, but the following week they took it on the chin from the Muncie Bearcats, 44-42. The Trojan warriors removed the roar from the Rushville Lions, 49-35, but took

a beating at the hands of Jeffersonville, 51-41. New Castle walloped the Bulldogs from Columbus, 63-41, during the holidays. The Green and White broke even in two games at the annual Big Four Tourney. Defeated by Kokomo, 46-45, in the afternoon, the Stuckymen overwhelmed Logansport, 51-36. It was Kokomo on top, 36-34; but the Trojan team took the measure of Frankfort, 39-35. After being defeated by Richmond, the Trojans ran up three straight wins—over Marion 41-30; over Logansport, 49-43; and over Muncie Central, 32-29. The Troy-men completed their regular season play by losing to Lafayette and Anderson.

The Trojans experienced little difficulty in rolling over sectional opposition, taking the final game from Straughn, 61-34. In the regional New Castle tripped Winchester, 54-44, and upset highly-regarded Muncie Central, 30-28. After defeating little Jefferson in the afternoon, our team arrived at the end of the Trojan Trail when a red-hot Auburn team won from our Trojans in the final game of the semi-finals.

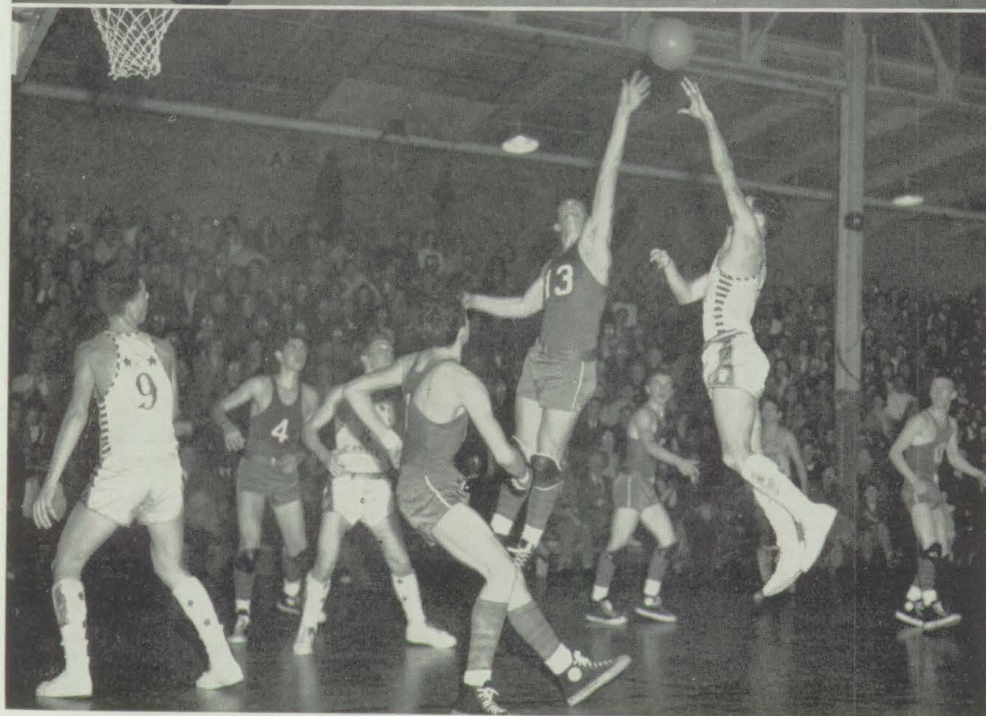

Stuckey's first line assistants, Johnny Black, Don Scott, and Junior Anderson.

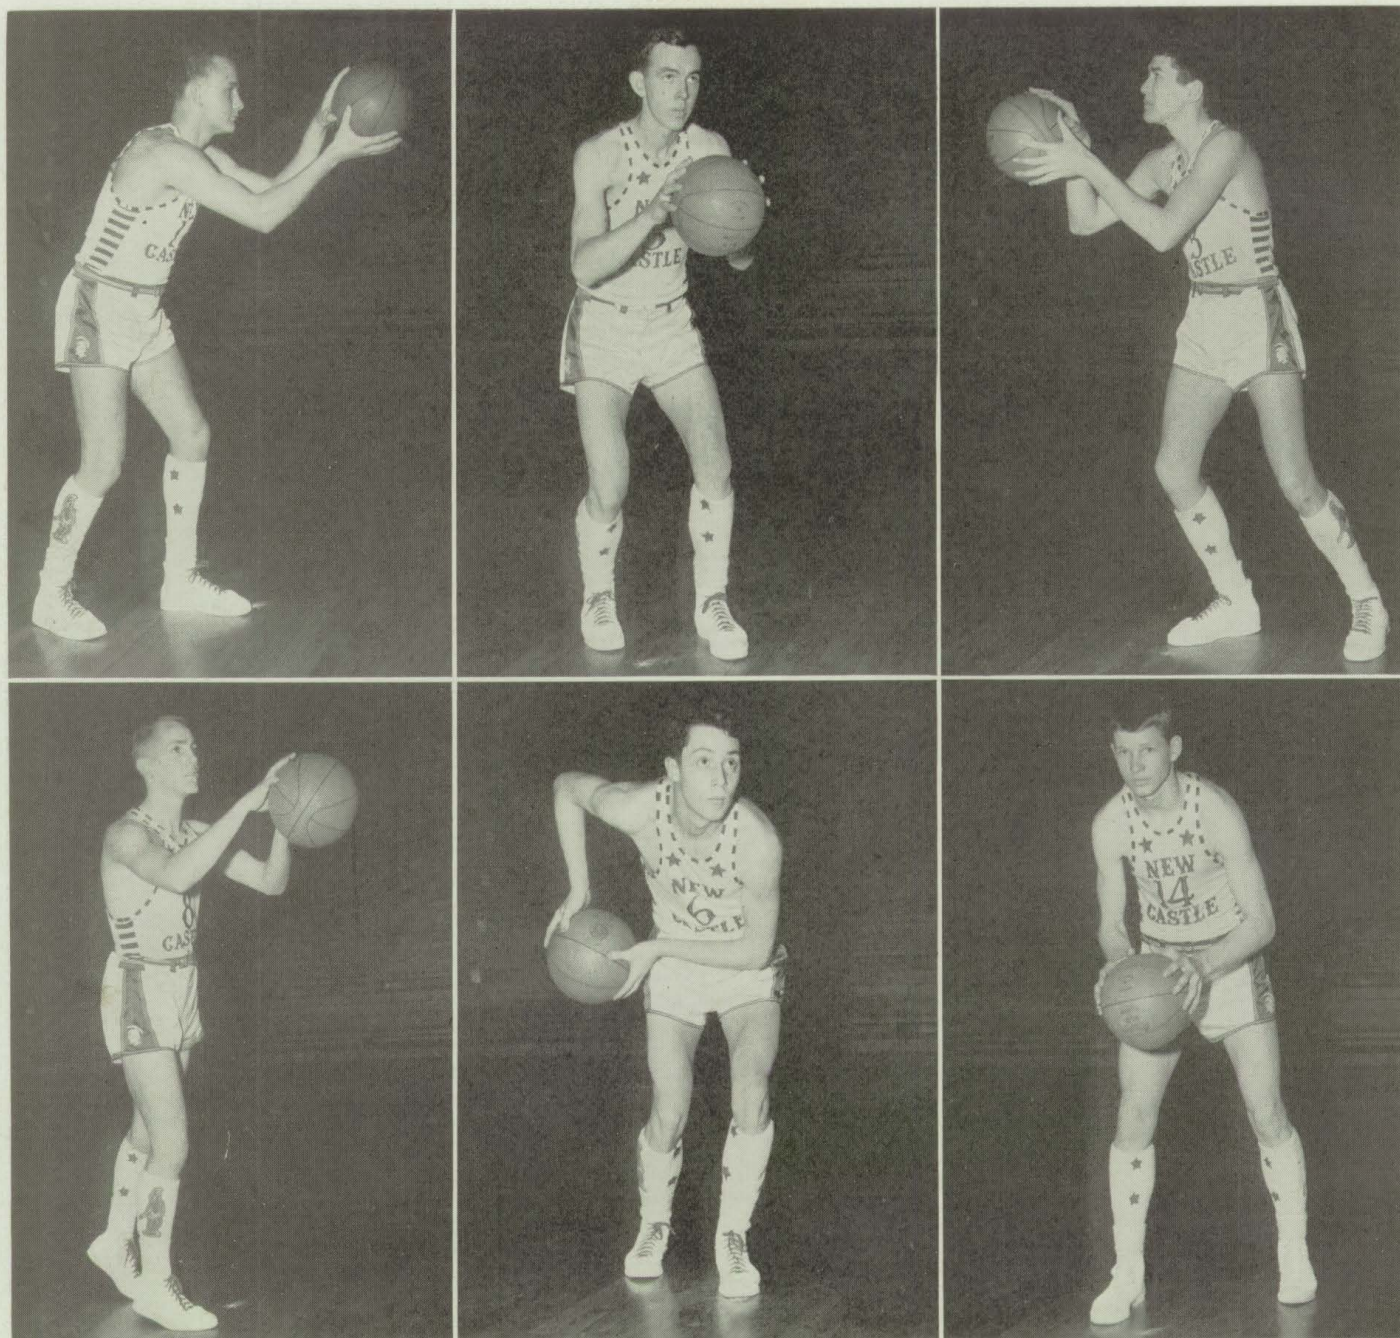

The best—that's the Trojan yell leaders, Leon Greer, Skippy Hamlin, David Crum, Martha Grayson, and Don Osborne.

Left to right:

Row 1.

Herbert Bunch—6' 2"—175 lbs.—Long looping one handers were Herb's specialty. A valuable man, he will be back next year.

Bob Hedrick—6' 1"—165 lbs.—This senior's past experience made him an asset to the team. He has played center for two years.

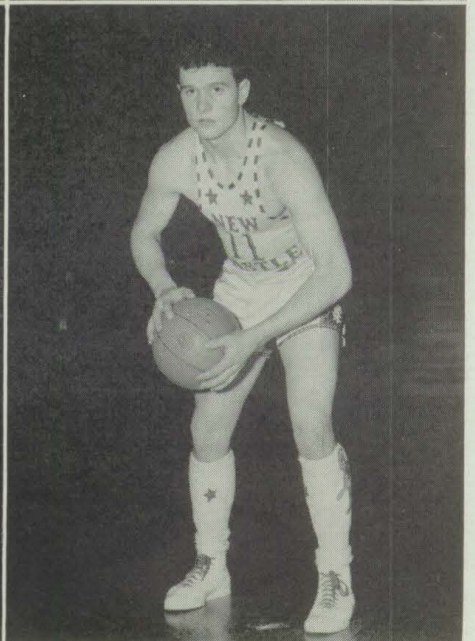

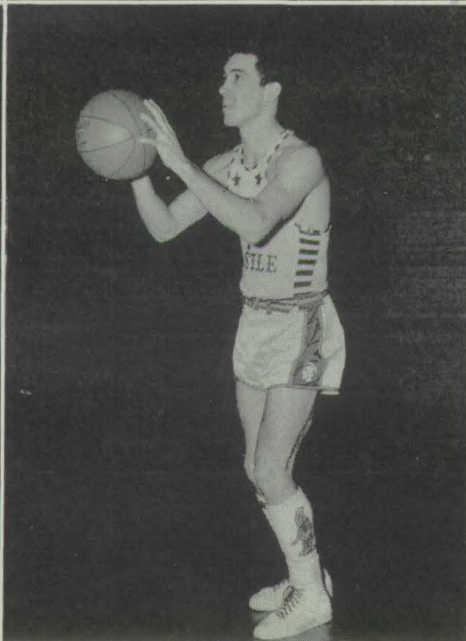

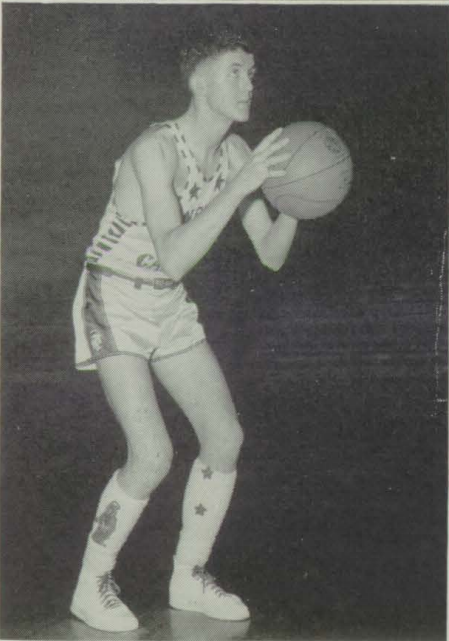

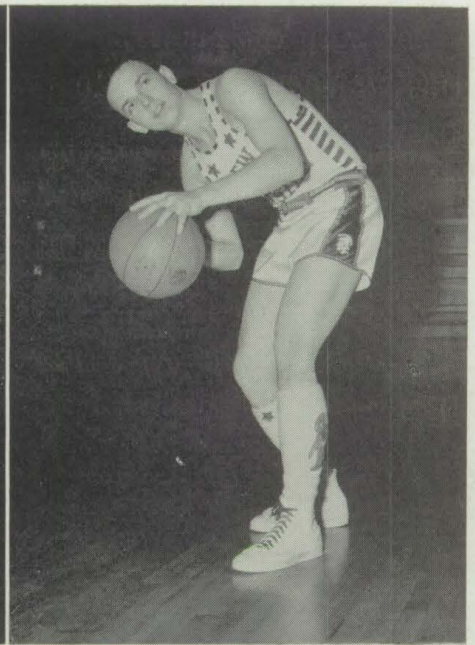

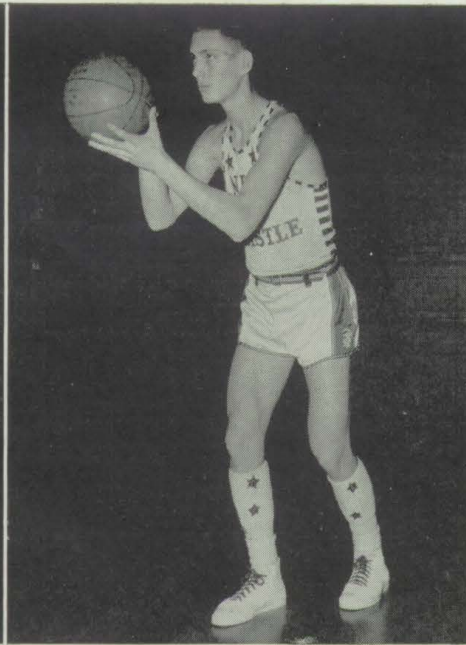

Dick Whalen—6' 2"—170 lbs.—This is the boy with the big hands. Pete was an ace rebounder and an all-around player.

Row 2.

Jack Wright—5' 11"—155 lbs.—Jack is one of the best shooters in N. H. S. history. He is a sure two points.

Calvin Cooper—5' 10"—155 lbs.—Great things are expected from this lad next year. When it comes to longs, this junior can hit.

Keith Hodgin—6' 1"—160 lbs.—Another senior, Keith was also a top rebounder and defensive star. He was a real ball hawk and deadly on one handers.

Left to right:

Row 1.

Jerry Ellis—5' 10"—155 lbs.—Speed merchant deluxe, a top scorer, and a good athlete is Jerry Ellis, one of the best all-around players the Trojans had.

Junior Wood—6' 1"—160 lbs.—“Woody” was a sure thing on lay-ups under the basket. He is one of the best pivot men in the conference.

Don Cassidy—6'—170 lbs.—His humor relieved many a tense moment for the Trojan basketekers. Salute a senior.

Row 2.

Don Tower—6' 2"—155 lbs.—An ace on assurance, “Honesty” was tough in the clutch and could connect with those longs.

Jim Dailey—5' 11"—160 lbs.—Setting up plays and defensive work was this senior's specialty. He always came through in the clutch.

Tom McFarland—5' 9"—170 lbs.—Fancy footwork and the ability to fake a man clear to the sky, gave this junior much varsity work to do.

Minor Sports Are Popular

Golf

Golf is another sport that comes along when spring rolls in. This sport takes a lot of skill and practice. The team has meets with Muncie, Richmond, Anderson, and the finals over at Indianapolis.

This activity is also under the guidance of Langan Hay. This man, who spends the majority of his time with the boys, deserves a lot of credit for his hard work.

Boxing

Pug noses, cauliflower ears, and strong arms make up the famous "Cauliflower Clan" of N. H. S. Under the direction of Langan Hay, the boys always make a fine showing in the Golden Gloves.

Some of the best boys in boxing have come out of New Castle and here are a few of them: Rusty Cleek, Jack DeWitt, Gerald Archey, and little Jim Moody. These boys have at one time or another won the Golden Gloves in their class over at Muncie. The boys that box for Coach Hay always live up to the saying, "Ya gotta be rough".

Spring Sports

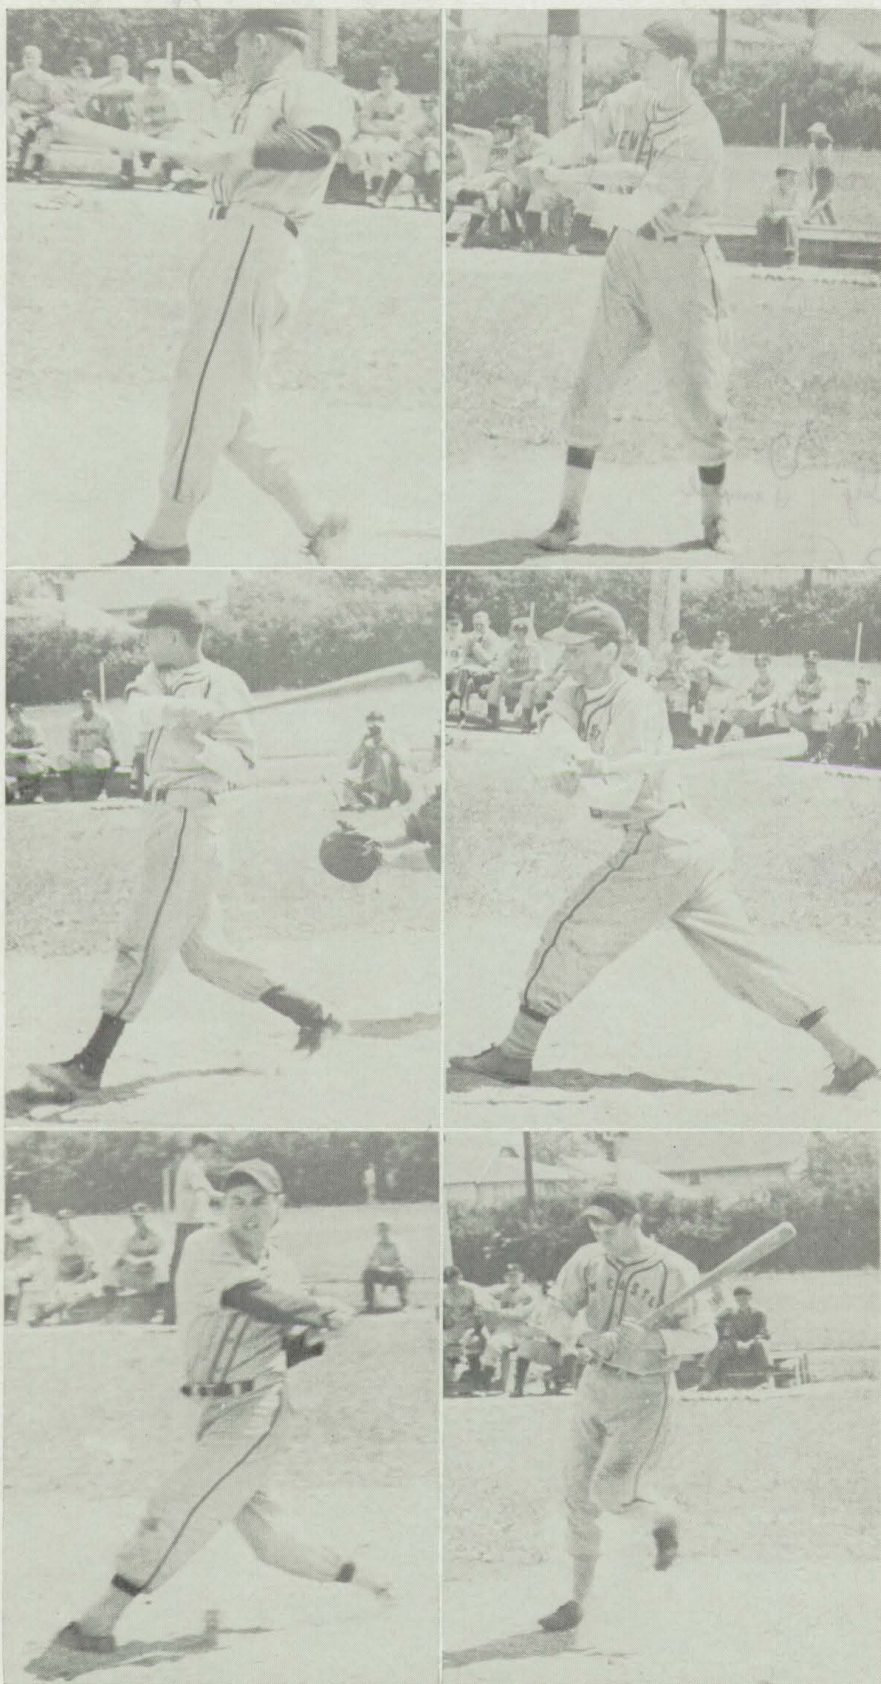

With spring in the air, a young man's fancy usually turns to love, but the boys of N. H. S. turn their fancy to baseball.

The "48" baseball team had a rough time weathering the storm. The record they compiled wasn't anything to brag about, but there were only two games in which they were beaten by more than five runs. The rest were close and two were extra innings.

The good part about it was that only two boys were lost through graduation, Jack Keith, third baseman; and Gene Haynes, shortstop. These positions have been worked out and it looks as if there will be some able replacements.

Coach Hill will be missing several boys next year when he sends out the first call for baseball. They are Keith Hodgin, first baseman and co-captain; Jack Alexander, left fielder; Jim Goff, shortstop; Bill Palmblade, second baseman; Jack Grose, center fielder; and Steve Taylor, catcher and co-captain.

The "49" baseball nine is going to try to complete the scope of a successful sports year for New Castle Senior High.
