NEW CASTLE, INDIANA

# A Plan For Living In The "New" New Castle

# Sunnyside Addition

Beautiful homes surrounded by neatly landscaped lawns on wide tree-shaded avenues greet visitors approaching New Castle. Real-estate development companies saw the necessity of new, better living quarters. Through their careful planning they have developed residential sections similiar to this view of spacious Sunnyside addition which are but one part of the plan to bring out the "New" in New Castle.

# Beautiful Homes On Tree Shaded Avenues, Spacious Parks

# Memorial Park

Memorial Park, along with the other key recreation area, Baker Park, brings to New Castle citizens the quiet beauty of two hundred and ninety-three rolling acres. A chain of artificial lakes flowing gently from the hills above Blue River valley forms a wild-life mecca at Memorial Park. Recreational facilities in the summer and ice-skating during the winter months provide wholesome enjoyment for future leaders of the ideal community, New Castle, Indiana.

EN'S ENTRANCE

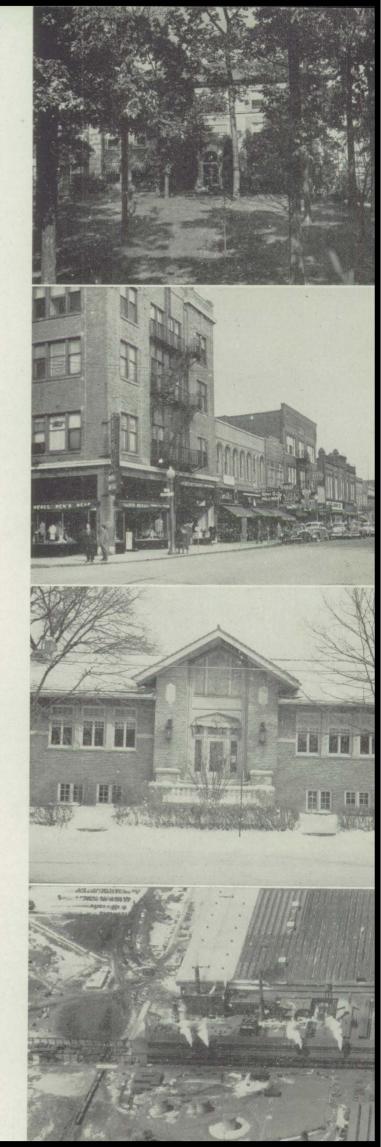

# Business, Industry Add To Our City

The Henry County Hospital, which has proved to be indispensable as well as beautiful, is making an extensive study of its probable needs to better serve New Castle.

The center of New Castle's business district is Broad Street. Merchants, in co-operation with the plan for New Castle, have helped make an attractive business district with modernistic storefronts.

"Quiet and dignified" best describes the New Castle—Henry County Library. With the school libraries and familiar "library on wheels," it holds good literature for New Castle citizens, both young and old.

"When the Chrysler is down, New Castle is down"—Two-thirds of New Castle's industrial labor is employed at this ever-expanding factory, a true symbol of a growing community.

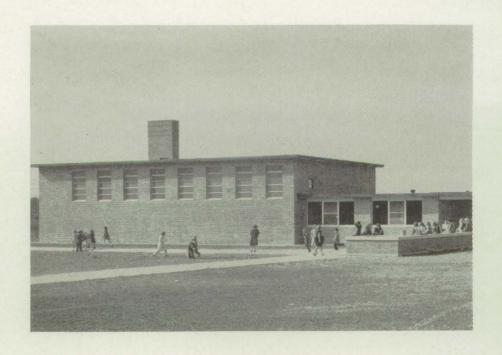

# New Castle's Plan For The Future

"New Castle, Indiana.... A city in which people can live in peace and safety and satisfaction." This is the goal of the New Castle City Planning Commission, organized in 1943 and designed to achieve that purpose. With the aid of both New Castle citizens and leading experts, the most urgent problems were discovered. Long vision planning has resulted in the first step towards improving the city—the zoning of New Castle. Mayor Harold Meadows and Scott Chambers, planning commission chairman, look over plans designed to bring out the "New" in New Castle.

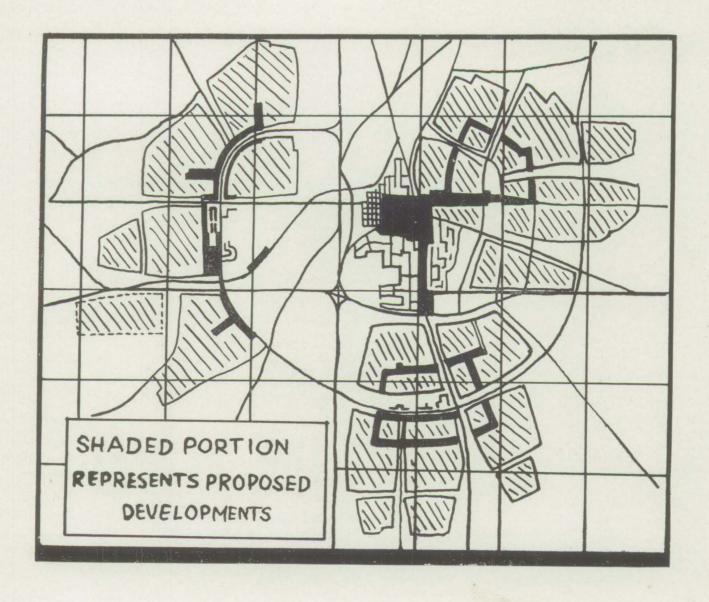

Spacious rooms in modern schools designed to bring the utmost advantages to young students are visible evidence of the work done to make New Castle a better place in which to live. The "New" New Castle can well be proud of two new outstanding schools, Sunnyside and Wilbur Wright.

# Reflects Traditions Of The Past

The first act of the city planning commission was to adopt a zoning ordinance. The 'New' New Castle as planned by the city will emphasize planned growth with plenty of room to expand. Overcrowded conditions caused by rapid and unplanned expansion have taught through bitter experience the value of well-planned developments. The new zoning laws separate industries and residences, keeping each within its own districts.

The plan for New Castle is not inflexible. Since it is a long-range project, time and new problems will alter and add to the basic plan. The zoning laws have been the first step and sound foundation for building new and added improvements. They are an aid to the plan of making New Castle a better community in which to live— a city in which we, the future citizens, will become leaders.

# A Plan For Learning . . . New Castle High School

Here is the real beginning of the "New" New Castle. No amount of planning, building, or remodeling can hope to succeed without conscientious hard-working citizens who are willing to co-operate in making their community the best. New Castle High School is the training-ground for such citizens.

Varied vocational courses, college preparatory courses, and home economics courses, together with music, art, drama, and speech, will develop well-rounded citizens ready to step into the responsibilities of being the future leaders of an ideal city.

The high school has a plan of its own and on these pages we give you a glimpse of this plan. Without our faculty and students there could be no New Castle High School, therefore on page fifteen we proudly present the PEOPLE of our new plan. On page fifty-seven begins the victory trails of our Trojan teams as shown in the ATHLETICS division. The next part of our 1951 Rosennial tells of the many ways we relax from our studies to take part in the ACTIVITIES described on page seventy-nine. On page one hundred and seven is the INDUSTRY division, the advertising and fourth part of the 1951 Rosennial.

The girls play a fast game of "rhythm" in those extra minutes after lunch while the boys indulge in that favorite pastime—the "yo-yo."

Small as our "Cracker-box" may be, what would we do without those after-game dances almost every Friday night?

Our "Walking Rosennial of 1951" takes a stroll down the hall—— This was the stunt the Rosennial staff dreamed up for the fall campaign drive.

"Smile for the birdie, girls"... The Fi Del beauties pose for a picture before parading around the football field during rough initiation.

# Humor and Interest

Whether it rains or snows, the twirling majorettes go on with the show. Six of these strutters will be missed next year, but they leave behind them the memory of fancy twirling routines that won't soon be forgotten. The seven high-stepping majorettes are Jean Kay Koon, Nancy Fisher, Nancy Stockton, Susan Niles, Mary Roy Catt, Norma Reno, and, not pictured, Rosalyn Fields.

"The pause that refreshes!" The pause—between games and the half-time. The refreshers—Fi Del and SunShine clubs.... "How about an ice-cream bar up here?" "Let's have two cokes." "Where's the popcorn?" Those are the cries of the basketball throng which keep the Fi Del and SunShine girls busy selling refreshments.

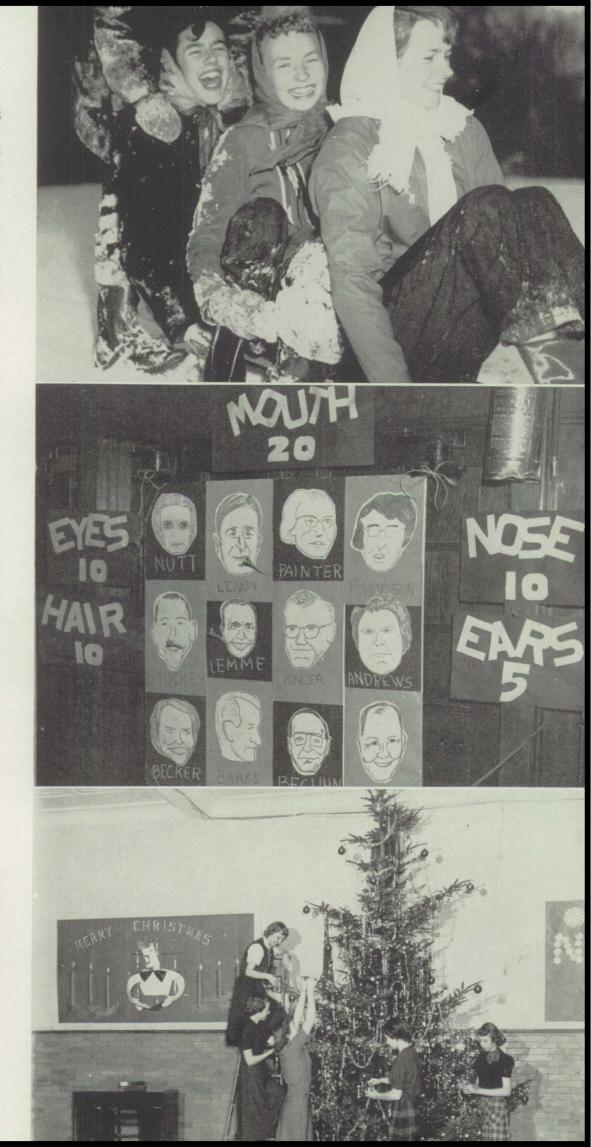

Rain or shine, city and school buses are always there on time bringing the kids to school. The doors open and the students pour out ready to start another day of studies and activities. Yes, the buses play an important part in keeping the school running smoothly, day by day.

# To School Life

Sally Malloy, Bertha Rager, and Marcia Medalen with the aid of a helpful boost get ready for a spin down Zetterberg's hill. Almost every snowy winter's evening, teenagers flock to this popular hill for spills and thrills. Sledding, along with ice-skating at Memorial Park, forms NHS's major winter sports.

"Hit the teacher with the dart—win a free chance at the dart-board!" The teachers really got "stuck" at the Whoop-de-Do, but it was for a good cause. As part of the plan to improve New Castle Senior High School, the P-T.A. sponsored the Whoop-de-Do to raise money for much-needed lockers.

There's nothing like a Christmas tree to start the holiday season. Trimming the tree is always a popular Christmas custom, especially when it's done in the halls of NHS. Each year, the SunShine Society decorates the hall with a large tree to put both the school and students into the Christmas mood.

# TO ADD TO THE "NEW" IN NEW CASTLE

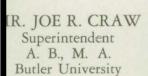

# WE NEED People

WITH NEW IDEAS, HOPES, AND DREAMS

The people of New Castle, with vision for the future, realize that the youth of today must work, learn, and play together. From this realization has come New Castle's first community youth center.

# Administrators Regulate Activities

MR. EARL F. LEMME Principal A. B. Indiana University M. A. Butler University

Helping to develop the minds and skills of the students in the New Castle-Henry Township Schools are the men who serve on our School Board. The interest and enthusiasm with which they choose our staff and direct our affairs help greatly in developing the students of today into the citizens of tomorrow's "New" New Castle.

Seated from left to right are Robert N. Campbell, James O. Crim, Eugene H. Yergin, Joseph G. Burris, Russell L. Fleming, C. W. Robinson, and Superintendent Joe R. Craw.

# Of Our Ever Growing School System

When advice was needed on even the smallest matter, students knew they would receive help and a friendly smile from Mr. Lemme or from Maxine Rains or June Goar, the girls in the office.

Department heads were always ready, too, to answer any questions and to counsel teachers in their department.

Department heads include from left to right:

ROW 1 — Miss Lewelta Pogue, languages; Miss Elizabeth Roney, home economics; Mrs. Juanita Bishop, commerce; Miss Berniece McCord, English; and Miss Fern Hodson, mathematics. ROW 2 — Mr. C. S. Kinder, industrial arts; Mr. Francis Reed, social studies; Mr. Ivan Hodson, science; and Mr. Bernard Pressler,

# Field Trips and Unusual Classes

Every third period students listen for the ringing of the chimes which means WNHS is on the air with its daily announcements and special programs. When the "On the Air" sign flashes outside Room 211, NHS is ready to hear another program from Miss Juanita Rucker and her radio classes.

These future scientists concoct the vile smelling mixtures which often pour from Room 313. Who knows? Perhaps one of Mr. Rinehart's students will become a partner in a famous soap company, for these students learn to make soap from lard or grease, water, sodium hydroxide, salt, and alcohol.

Members of the biology classes are not content to read about nature. They must also have first-hand experience. Biology students, therefore, held a three day camp at Versailles State Park last October where they became better acquainted with birds and plant life.

A new experience for teachers and a one day holiday for students was the first Business-Industry-Education day sponsored by the Chamber of Commerce last fall. Teachers visited the industries of the city to become better acquainted with the American system of free enterprise.

# Give Students Practical Work

Senior English students will long remember the hours they labored over their autobiographies, research themes, and children's stories in Miss Berniece McCord's English 41 and 42 classes. Parents won't forget, either, the tormenting questions about famous ancestors.

It was an eventful day in NHS when Congressman Ralph Harvey conducted a round table discussion with one of Mrs. Wayman's senior history classes. Students participated in a lively discussion on whether or not eighteen year olds should vote.

Child psychology books were much in demand among seniors who became cadet teachers. What a teacher should do when Johnny pulls Mary's hair or begins to cry for his "mama," were some of the many problems which presented themselves for the future teachers to solve.

Many displaced persons from Europe have come to live in our community. At night they attend classes created especially for them in the high school. Mrs. Valerie Angersbach teaches beginning English to these new Americans so eager to learn our customs.

# Special Subjects Vary Schedule

"Who has sold the most magazines in your English class?" was a familiar question in January as English students sold magazine subscriptions. Money from the drive went to finance the school's first literary magazine, the *Trojan Tribune*.

The sounds of hammers in Room 203 meant that the carpenters in the senior dramatics class were busy making sets while the cast rehearsed. Dramatics students under Mr. Risley presented "Curtain Call," the senior class play, and several radio plays.

Whether walking down the hall with books balanced on their heads to improve posture or practicing a speech before their class, members of Miss Juanita Rucker's speech classes were always busy. Her students have brought back many district and state awards.

To keep the school up to date on important events, Miss Mary Manifold's art classes make many attractive displays such as a bulletin board display advertising a band concert, or a poster boosting the Trojans at tourney time.

# Senior Officers Capably Lead Their Class

The busy 234 seniors of the 1951 graduation class chose as their class motto, "Yesterday is gone, tomorrow may never come, today is yours..seize it." Selecting from several combinations, the class chose for its two colors, chartreuse and pearl. The snow white rose was the favorite flower. They selected as their officers Tom Dailey as president, Barbara Buckels as vice-president, Barbara Curlett as secretary, and Bill Cluggish as treasurer.

The senior class of 1951 entered high school 341 strong, bringing with them a group of students who were to become leaders in many fields.

As sophomores they began to feel they were becoming a part of the school as they received awards in fields of music, speech, and sports.

In their junior year they first met as a class, electing officers to guide them. Many essay contests were open to them as juniors, and some of the students were winners. For junior prom, the juniors worked diligently on decoration, program, entertainment, and many other committees to make it a big success.

In September they entered NHS for their senior year. This first appearance at Senior Vespers brought the realization that this was the final year. For Baccalaureate and Commencement the seniors chose green caps and gowns instead of the traditional blue. The seniors of the 1951 class will look back on NHS as having been a wondrous place to spend four prosperous years.

# A Week End For A Senior Was Full

Friday night is always reserved for the Trojans. These girls are especially excited at the thought of victory over Muncie Central.

The canteen is the place where seniors relax and celebrate with their friends before and after the big game.

No music could possibly sound sweeter after a game than that of our own Charles Rinehart and his Rhythm Five. What a wonderful way to celebrate a victory.

But Saturday comes and work comes with it for most seniors. Here Phyllis Coffman smiles and remembers that the customer is always right.

# Of Work, Jun, And Entertainment

Sunday morning brings a promise of a day of rest and happiness. These boys find inspiration and friendship for the week at the church of their choice.

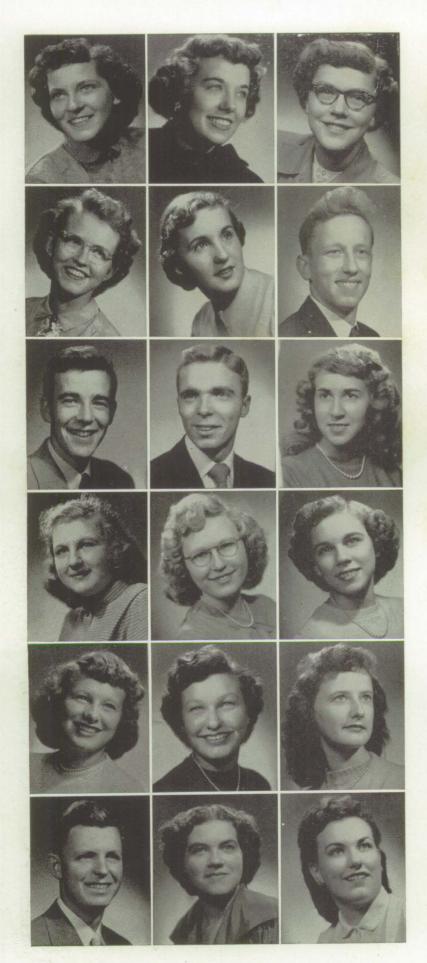

Cokes after church are a regular custom in New Castle. The drugstores are packed with students meeting friends and enjoying their day of rest.

Ah! A good dinner and now for a soothing ride in the country. But cars can be difficult and it seems this one has decided not to go for a ride today.

The climax to a busy week-end comes on Sunday night when most of the seniors and their dates go to the latest movie at the Castle Theatre.

The bulletin board was one of the busiest places in the school. The senior class sponsor, Miss Catherine Ratcliffe, filled the bulletin board with all important senior announcements. Much useful information could always be found on this board. Here Sue Meadows and Dean Cox are finding out about the senior committees while Don Williamson is checking the senior list for his name.

# Left NHS With Its Many Memories

### TO ADD TO THE "NEW" IN NEW CASTLE

# WE NEED Athletics

### WITH COMPETITIVE SPIRIT AND SPORTSMANSHIP

Training in physical education begins in the grade schools in order to develop winning teams; however, more important than the thrill of victory is the instruction received in working together as a group.

## Haymen Trample Opponents

Led by co-captains Tom Dailey and Junior Stokes, the 1950 Trojan squad completed a successful season with a 6-3 record. Coach Hay, faced with an inexperienced team at the beginning of the season, built a machine which placed high in the powerful North Central Conference. The Trojans began their season by defeating strong teams from Bloomington and Columbus. The following week the men of Troy beat rival Richmond, 12 to 7, as Tom Dailey crashed over from the six-yard line in the closing quarter. Connersville afforded the Haymen their greatest margin of victory when New Castle punched over ten touchdowns to win, 65 to 6.

The hard work and effort shown by these three coaches, Langan Hay, Bobby Lee, and Dale Wilkinson, inspired many victories on the Trojan gridiron.

Junior Reagan, Dickie Myers, and Floyd Sanders, the three hard-working football managers, kept those smiles on their faces throughout the entire season.

# With Six Straight Victories

The New Castle team increased its North Central Conference record to three straight wins by scoring victories over Kokomo and Anderson. Then the Trojan trail of victories was broken by a well-balanced West Lafayette team which trampled the men of Troy by twenty-two points. This crushing defeat was followed by New Castle's only two conference set-backs, to highly rated Tech and Muncie Central.

The season's record was:

New Castle	14	Bloomington	7
New Castle	20	Columbus	0
New Castle	12	Richmond	7
New Castle	65	Connersville	6
New Castle	7	Kokomo	0
New Castle	21	Anderson	6
New Castle	0	West Lafayette	22
New Castle	20	Muncie	33
New Castle	7	Tech	34

"Tiger" Smith isn't doing a dance, but he does a good job of blocking a long Bearcat pass.

Orlin Coleman recovers a Bearcat fumble and crosses the goal line for a touchdown.

### Blocking, Driving Team In Battle

Maurice Bates cuts through tackle behind the good blocking of Jack Roberts in the Muncie Central encounter. Orlin Coleman and Stewart Archey look on in the background.

Jerry Bowman, 45, Kenneth Razor, 50, and Jack Roberts, 7, close in fast on a Bloomington halfback during the second quarter of the Panther-Trojan battle.

The referee takes time out to untangle players who have piled up on fullback Tom Dailey during the Trojans' 12 to 7 victory over the Richmond Red Devils.

# Hard Work Behind Pigskin Successes

A very important contribution to the success of N. H. S. football teams of the past has been the organization of the B-team football squad. The boys receive the same training and coaching as the varsity and although their games are not played before large crowds they are very important in the development of future Trojan teams.

This year's B-team, coached by Bobby Lee, shows promise of developing into another powerhouse.

In practice, the boys went through long sessions of learning the fundamentals of blocking, tackling, and the plays which will be used next year on the varsity.

This year's squad ended a good season with five wins and three setbacks. They rolled over Connersville by the top-heavy scores of 46-0 and 28-0. The B-team then started playing its tough N. C. C. opponents. They defeated Richmond twice, 32-6 and 21-7.

The Anderson second team split with the Trojans, the Indians taking the first contest, 26-0, and New Castle coming back to defeat them, 19-0, in the next encounter. The Trojans lost two decisions during the season to rival Muncie Central.

The following boys were members of the A and B team:

ROW 1 — Tom Dailey, Bobby Lee, Langan Hay, Junior Stokes.

ROW 2 — Gene Harding, Stewart Archey, Kenneth Razor, John Cassidy, Dan Holbert, Jim Moody, Max Southerland, Orlin Coleman, Bob Stohler.

ROW 3 — Bennett Upchurch, Rodney Ford, Jim Vanderbeck, Tom Gray, Bill Parker, Mal Edwards, Larry Meyer, Don Platts, Junior Taylor, Eddie Justice.

ROW 4 — Don Puckett, Ed Walden, Bob Allen, John Juday, Ronnie Lightfoot, Jack Roberts, Marvin Turner, Ronnie Thomas, Fred Ford.

ROW 5 — Hollis Upchurch, Benny Archey, Dan Boyd, Jerry Bowman, Harold Devine, Donnie Anderson, Bob Fox, John Ray, Fred Cronk.

# Twenty Fighting Seniors Hang Up

DAILEY—This big six foot, 190 pound co-captain has been a varsity football full-back for three seasons. Tom's steady playing and influence on his teammates made him a valuable member of this year's squad.

STOHLER—"Blind Eye Bob" was always a fast, hardhitting tackle and defensive line backer.

PLATTS—Don, a rugged senior guard who never gave up, will really be missed next year.

MEYER— Larry, a 160 pound varsity center, handled the ball like a professional.

PARKER—A rough boy on either defense or offense, "Willy" put everything he had into his playing.

FORD—Rodney knew football, and he proved he knew what he was talking about when he got on a football field.

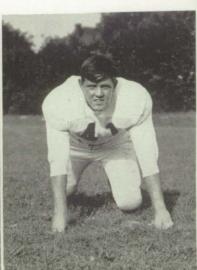

THOMAS—Ronnie was a senior who never quit. He knew a good team had to have subs as well as regulars.

ARCHEY—A big boy with plenty of fight, when Stewart was in the game, the other team knew it.

HARDING—This senior alternated between guard and center. Gene played both equally well.

RAZOR— Kenny, a big senior lineman, will leave a spot hard to fill next year.

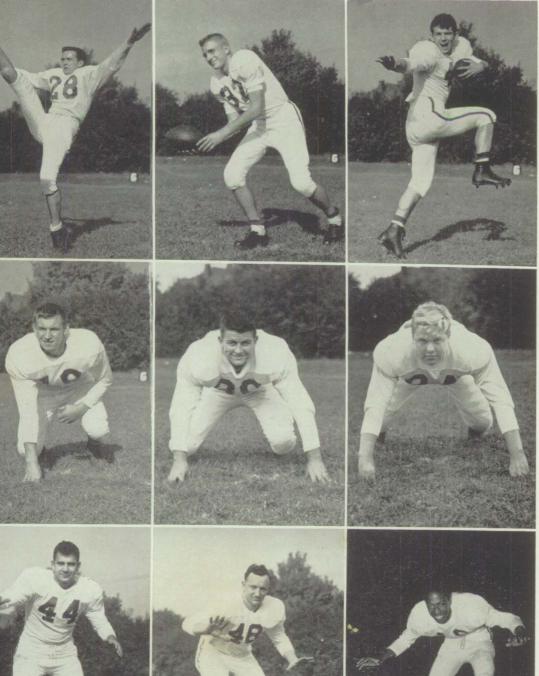

## Their Shoulder Pads And Helments

STOKES— "Pudge," the other co-captain, was a hard-fighting lineman with plenty of spirit and scrap. This 185 pound senior was rewarded for his hard work with a berth on the all-conference team.

GRAY—"T. G.," really knew how to kick, and he always came through when he was needed.

EDWARDS— Although playing his first year as regular quarterback, Mal made up for his lack of experience with lots of hard work.

MOODY—"Samson" was the fastest and one of the shiftiest boys on the team.

HOLBERT—A powerful guard, Dan did a wonderful job of blocking on his side of center.

SOUTHERLAND—Max was one of the most stationary and sturdy linemen.

TAYLOR—"Mace," the biggest player on the team, didn't see much action, but always played a tough game.

CASSIDY—This hard-hitting end was a terror on both defense and offense.

COLEMAN— "Gill Dodd," a well built tackle, will leave a big hole in the line next year.

SMITH—"Tiger," a lanky defensive back, was afraid of no one and could stop the best of them.

ROW 1 — Bob George, Coach Stuckey, Tom Dailey.

ROW 2 - Marvin Turner, Bob Perkins, Junior Stokes, Ronnie Lightfoot, Tom Gray.

ROW 3 - Bob Stohler, Bill Harlen, Bruce Harris, Mal Edwards, Bill Cluggish.

### Behind Them All The Way

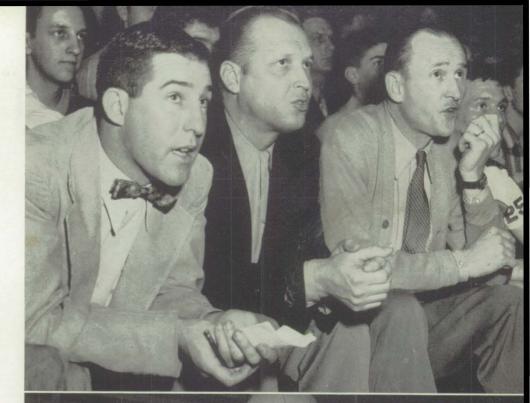

The men responsible for the success of the Trojan team are "Chuck" Stuckey, varsity coach, "Dutch" Hassfurder, second team and assistant varsity coach, and Bob Lee, freshman and assistant varsity coach.

This was "Chuck's" last year of coaching. With a record of 63 wins and 61 losses in six seasons here, he is the only New Castle coach to have had regional winners for two consecutive years. Coach Hassfurder will take over as varsity coach next year.

Carrying towels and the first aid kit, sweeping, running errands—these are just a few of the many duties of the managers. Here, in one of their few spare moments, John Black is demonstrating to Larry Meyer how to balance a spinning basketball. John has been a varsity manager for four years, and Larry for two years. Both of these hard-working boys will graduate this year.

"Come on, kids! Now yell"
How many times we have heard
this from our hard-working yell
leaders. They are, from left to right,
Bernie Carter and Richard McCall,
kneeling, and Barbara Macer, Roxie
Tutterrow, and Phyllis Hines, standing.

The excellent handling of the crowd was responsible for New Castle's fine sportsmanlike attitude all year. Phyllis, Barbara, and Bernie are seniors. They will be missed greatly next year when football and basketball time rolls around.

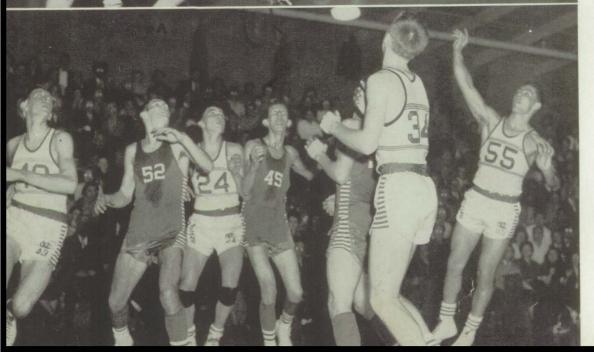

### Cagers Show

Dailey cuts toward the basket with Harris leading the way to score two points in a failing effort to beat Kokomo in the Trojans' first game after the New Year's Day Tourney on the Trojan home floor.

George fouls a Frankfort player as he comes down with the rebound. Harris makes sure the referee won't call the foul on him. The Frankfort Hotdogs downed the Trojans for their seventh defeat to even the season record at 7-7.

Dailey gets around his guard and takes a one-handed shot from behind the foul circle in the game against Marion. Harlen, Gray, and George are getting into position so they will be ready for the rebound,

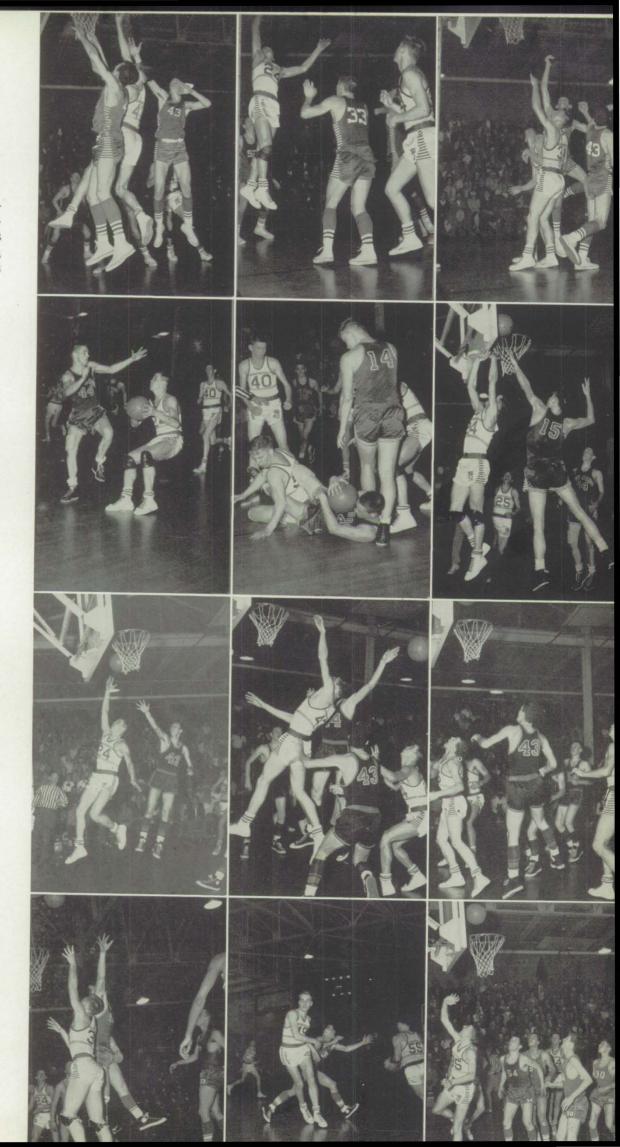

### Their Fight

Kokomo nipped the Trojans, 48 to 45, but not without a fight. Here Harlen tips one in, Gray lays the ball up, and in the last picture Perkins waits for the rebound.

Playing a great defensive game but unable to hit the basket, the Trojans fell to the Frankfort Hot Dogs. The pictures show Gray faking his man, Stokes on the floor after the ball, and Gray making a lay-up shot.

Hitting a strong Marion team, the Trojans again fell on the short end of the score. Here again Gray lays up two points on a fast break, Harlen misjudges a rebound, and all the Trojans rebound.

The Trojans overran the Muncie Bearcats by eight points. After going ahead of Muncie in the first quarter, they were never behind. Here George shoots a hook shot, Dailey and Edwards exchange the ball in mid-court, and Cluggish hits a lay-up.

# Teamwork And Sportsmanship Always

BOB STOHLER— "Blind Eye" was a substitute forward. He didn't see much action, but his spirit was never down. When he got into a game, his fast take-off gave him an advantage over his opponents. Bob is a senior.

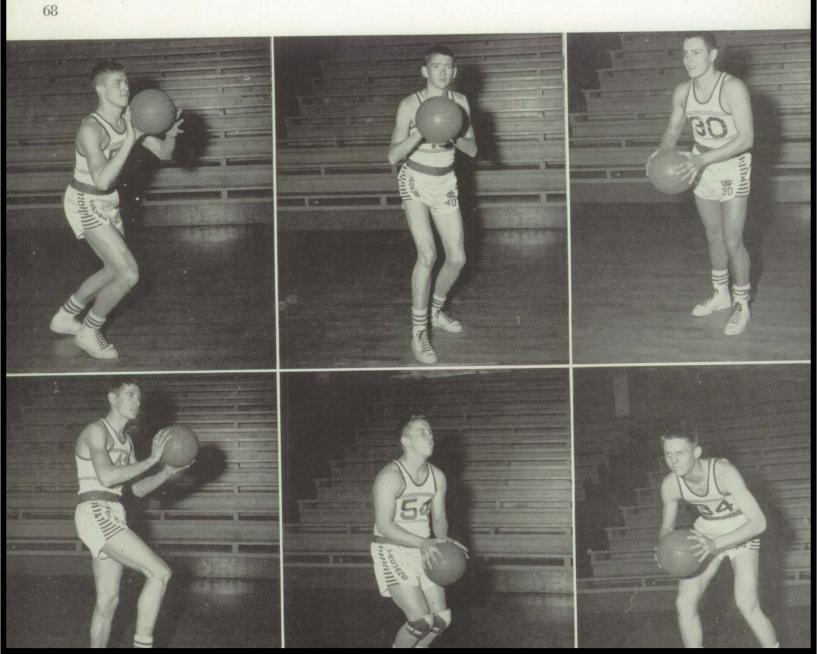

BRUCE HARRIS— "Tiger," a six-foot, five-inch red head, is one of three juniors on the team. Although a substitute, Bruce saw a lot of action. His fight, determination, and height should make him a leading scorer next year.

RONNIE LIGHTFOOT— "Lloyd" was another junior on this year's varsity. Although one of the smallest players on the team, he made up for it with fight and aggressiveness. His ball handling will be a great help next year.

BILL HARLEN—"Tuck's" rebounding and shooting ability enabled him to be a double threat. Having been moved up to the varsity in midseason last year, Bill stepped into regular center position this year. When he was hitting, he ranked with the best.

JUNIOR STOKES— What he lacked in ability, "Pudgy" made up for with fight and spirit. When Junior was playing, he could always hit a long shot or two. He was one of the smallest players on the team and also one of the scrappiest.

BOB GEORGE— "Boob," one of the Trojan starting five, had a lot of ability. His finesse and accuracy at hitting the basket made him a threat at anytime. Bob was the team's second highest scorer.

# Are Marks Of A True Trojan

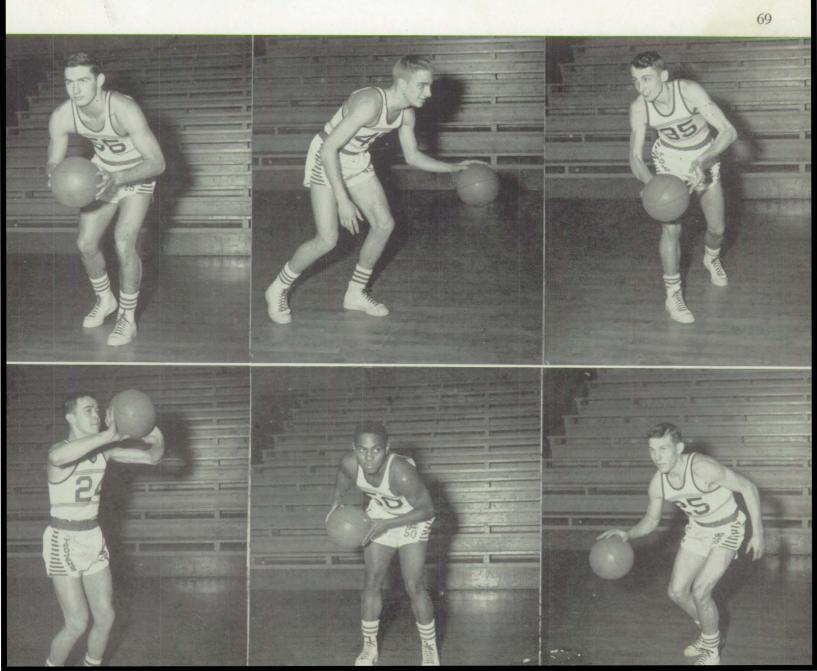

TOM DAILEY—"Big Tom" was the only player back from last year and was captain of the team. Because of his defensive ability, Tom always guarded the best player on the opponents' squad. He always came through with points when they were needed.

MAL EDWARDS— This was "Mookum's" second year on the varsity and first year as a regular guard. Mal's rebounding, determination, and fight made him a must in the Trojan machine. Illness slowed him down late in the season, but he recovered by tourney time.

BILL CLUGGISH—Bill improved rapidly near the end of the year and proved a valuable substitute. His rebounding ability enabled him to be put into the game at any time. Bill's spirit and determination will be missed next year. TOM GRAY—This was the first year of varsity basketball for "Ace" as he played at forward. His speed, faking, and accuracy made him one of the leading scorers on the team and the top scorer of the sectional. He had more natural ability that anyone on the team.

MARVIN TURNER—"Marv," a boy with lots of ability, was hampered by an ankle injury received in football. He was brought up to the varsity last year for experience and will be a potential powerhouse on the basketball floor next year.

BOB PERKINS—"Perks" came from Eden and strengthened New Castle's varsity with his speed, drive, and ability to hit the basket. Bob could be put into the game any time and do a good job. He played three years on Eden's team before coming to NHS.

# Scrappy Reserves Look Promising

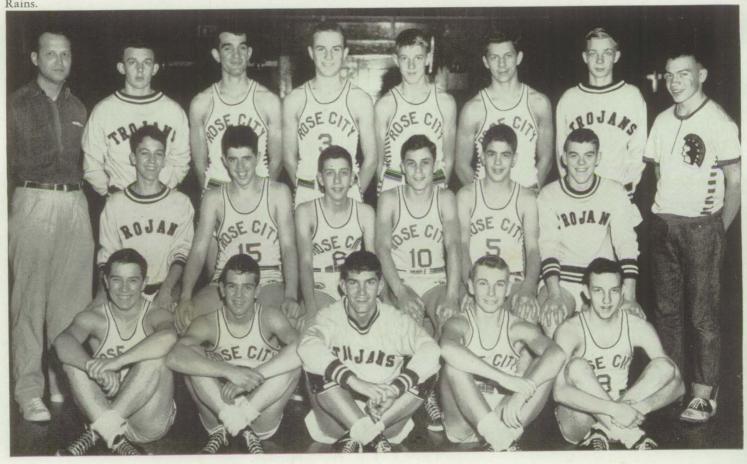

Winning three overtime games, New Castle's "B" team came through with a record of eight wins and nine losses for their season's record. Averaging thirty points a game, the "B" team made up of sixteen sophomores and one freshman, improved rapidly during the last part of the season. This scrappy bunch of ball players, who won three out of three overtimes, led by Coach "Dutch" Hassfurder, proved that height is a relatively unimportant factor. Duane Queener, most dependable scorer on the squad, was also the smallest player on the team.

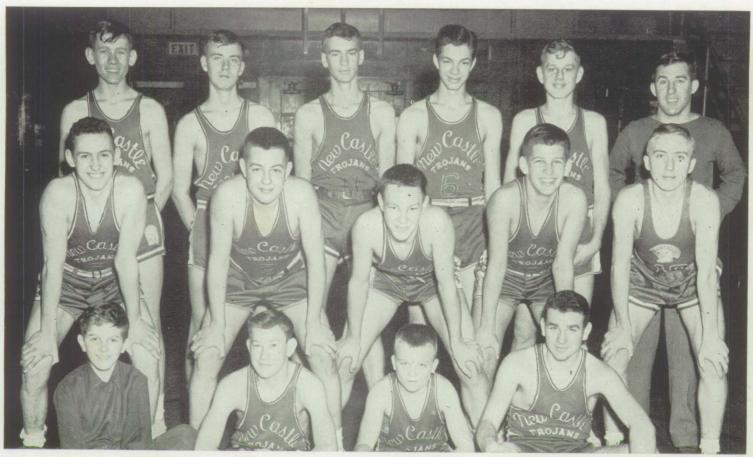

Since there will be only two returning varsity players, some of those "Colts" should see a lot of first team action next year. Such players as Ronnie McCormack, Ed Walden, Hollis Upchurch, Duane Queener, Don Anderson, Tom Payne, and Leroy Nantz led the team through the 1950-51 season.

ROW 1 - Ed Walden, Leroy Nantz, John Juday, Ronnie McCormack, Keith Bunch.

ROW 2 - Jim Perkins, Donnie Anderson, Dick Myers, Duane Queener, Bob Allen, Mike Reuter.

ROW 3 — Coach Hassfurder, Fred Cronk, Bennett Upchurch, Tom Payne, Hollis Upchurch, Maurice Bates, Jim Payne, Jerry Rains.

# Frosh Have Winning Season

The New Castle freshman team fought its way through the season to gain a record of ten wins and eight losses. Four of these defeats were hard-fought games which the team lost by a total of six points.

Leon Ammerman sparked the freshman squad by averaging fifteen points per game while making a total of 270 points.

This fighting squad won the consolation game of their tournament by romping over McKinley of Muncie, 34-25, after having been edged by Anderson by a score of 39-38 in the first game.

With a group of boys such as these, New Castle can expect to have fine teams in the next few years.

Their season's record was:

### Thinlies Win Dual, Triangular Meets

Shot put—48 feet; half mile—2 minutes and 8 seconds; mile—4 minutes and 38 seconds; high jump—5 feet, 10 inches—that describes these fleet-footed Trojans. After winning all of their dual and triangular meets with the exception of the one with Richmond, they placed sixth in the Kokomo relays, second in the Frankfort relays, and seventh in the N. C. C. meet at Anderson. Tom Dailey and Jerry Ellis qualified for the state meet but did not place in it.

Other standouts on the 1950 track team were Marvin Turner and Jim Moody, dashes; David Smith, mile run and mile relay; and Mal Edwards, mile relay and half-mile. The rest of the team can not be underestimated. All were rough and ready trackmen.

The season's record was:

May 6, 1950, is a memorable day in New Castle sports history, for on that day, members of the Trojan golf team not only brought back their first N. C. C. conference trophy, but also brought honor to their school by winning the first spring conference in New Castle history.

The New Castle team gained further distinction by placing second to Shortridge High School of Indianapolis in the sectional and qualifying for state. In the state contest, they placed sixth out of the fifteen teams which were competing.

# Girls Develop Physical Skills

Girls' physical education classes provide a well-rounded variety of sports and exercises. These classes are very important in developing healthier bodies.

When school starts in September, girls play speedball and other out-of-door games. With the coming of bad weather, they go inside and play volleyball and basketball. While inside, they also do calisthenics, tumbling, and various types of dancing.

Here, the girls of the second period physical education class are participating in a game of speedball. This active sport is played outside the Armory on days when the weather permits.

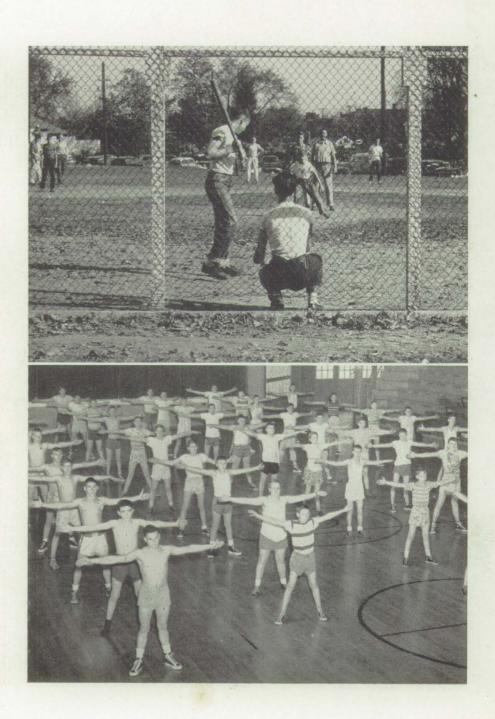

Volleyball and basketball are the two games which are played by the girls' gym classes during the winter months. The girls at the left have stopped a minute to rest after a game of volleyball.

# Boys Learn Sports Fundamentals

Great variety is a feature of the boys' physical education classes under the direction of instructors Langan Hay and Robert Lee. The year's work is started with marching in September. In the winter boys concentrate on calisthenics and tumbling. Later, they are allowed to choose from a number of activities including weight-lifting, horizontal bar, parallel bars, flying rings, horse, basketball, volleyball, boxing, and wrestling. When spring arrives, students occupy their time by playing softball.

Boys' physical education classes each period are divided into groups which compete against each other in various activities. Here two of the groups are playing a game of softball. This sport is practice in developing timing and coordination.

One, two, three, four....up, down, up, down. As the physical education instructor counts off and directs, the boys' gym classes go through calisthenic routines. Each year, when the weather becomes too bad for outside activities, the gym classes go inside and do calisthenics for two weeks.

# Trojan Nine Drops Close Ones

New Castle's baseball team of 1950....a team that won few games but one which will be remembered always because of the great players who played with the team. Names like Dick Whalen, Jerry Ellis, Junior Wood, Jim Moody, Les Ginn, and Don Tower—those and many more—made the 1950 squad memorable.

The Trojans got off to a bad start as they scored only two runs in the first three games and lost to Richmond, Hartford City, and Marion respectively. The following week they rallied to beat Spiceland, 9-8. Four days later the men of Troy upset a good team from Kokomo and the Trojans appeared to be on the march. A rough road lay ahead, however, as Stuckey's crew lost to teams from Logansport, Tech, and Lafayette. New Castle won its second conference victory at the hands of Anderson, 9-8. The following week Middletown ecked out a one run victory, 5-4. Muncie batters and New Castle errors accounted for the next conference defeat, 14-0. New Castle lost another close game as the Hotdogs from Frankfort outscored them, 3-2. The Trojan baseball season ended as the Trojans edged Connersville, 10-8.

### Hopefuls Warm Up For Season

Although only three underclassmen were on last year's starting nine, many others saw considerable action.

When Coach Hassfurder called the first 1951 spring practice, he found approximately 60 hopefuls reporting. Although coaching baseball for the first time this spring, "Dutch" was a star on the Hanover College nine.

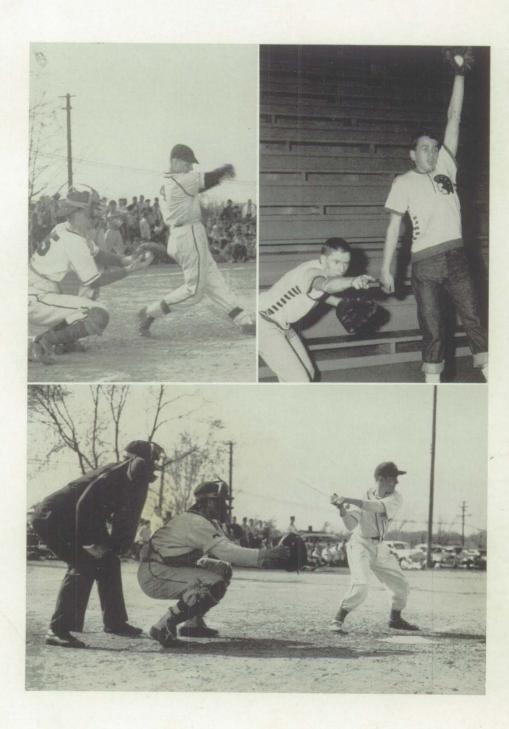

The 1951 diamond squad should have an especially strong outfield with Dick McCall, Fred VanHoose, and Mal Edwards returning from last year's team.

Ronnie Lightfoot swings and misses in the game with the Lafayette Broncos.

Fred VanHoose and Leroy Nantz are shown in preseason practice in the gym.

Richard McCall, Trojan batter, and the Bronco catcher are set for the pitch.

Print shop boys pause for a minute to take a look at the new issue of the Phoenix which they have just run off the printing press.

These boys play an important part in the weekly appearance of the Phoenix. They are Jim Higgins, assistant pressman; Jerry Newby, editorial foreman; and Otis Brown, pressman. Not pictured are Tom Caldwell, make-up foreman; Gene Harding, linotype operator; and Mr. Beguhn, printing adviser.

Putting out a school paper may be hard work, but it is also a lot of fun, as these Phoenix staff members will tell you. Editor Phyllis Hines is busy typing her weekly column, "Topics For Trojans," while some of the other staff members are also working on stories to meet their deadlines.

Betty Stohler, exchange editor, is trying to get some ideas out of a paper from another school, and Nancy Stockton is working on her advertisements.

# As It Plans Weekly Newspaper

Making out dummies, writing stories, copyreading, meeting deadlines, innumerable trips to the print shop...these are all parts of putting out a school paper.

Despite the work, the staff members have time for many activities during the year. These include the sponsoring of a Tourney Trot after the sectional, a banquet for staff members, and putting out special editions of the Phoenix throughout the year.

The staff also finds time to add improvements to the paper. This year, for the first time, pictures were used with the senior personalities.

# In Words and Pictures, We the Staff

The 1951 Rosennial is the result of much time and effort put forth by the entire staff, but we believe it was energy well-spent. With its completion comes the feeling that we did something worthwhile. Our Rosennial is a book which we hope will be treasured both now and in years to come — a book which will serve as a reminder of all the happy times we spent in our school year of 1950-1951.

We began planning the Rosennial last summer when the editors went to Indiana University where they chose the theme and planned the dummy.

The rest of us got our first taste of yearbook work when we began taking pictures at the beginning of the school year. When the first glossies arrived from the photographer, we looked at them over and over again, thrilled that we were getting started.

These glossies were mounted and sent to the engraver, and when proofs came back, we pasted them in the dummy. In this way the dummy at last began to take shape and to look like a year-book.

In October, some of us attended the Indiana High School Press convention at Franklin College where we chose our cover, a modernistic design which we thought described our theme.

Planning unusual skits and stunts for subscription drives and writing copy kept us busy when we weren't working on pictures.

Picture by picture, word by word, we put our book together, and now you see the results — our pride and joy — the 1951 Rosennial.

All eighteen members of the staff are snapped in one of their "industrious" moods.

ROW 1 — Cynthia Shirk, Barbara Buckels.

ROW 2—Kelly Wise, Jo Ann Crim, Naomi Recher, Rosalyn Fields, Jean Kay Koon, Martha Grayson, Martha Lou Johnson.

ROW 3—Bill Cluggish, Barbara Sanders, Bob Riley, Arnold Cooper, Mary Ada Stoops, Miss Halberstadt, Marilyn Copeland, George Angersbach, Louise Gephart, Nancy Fisher.

As the staff members relax, their smiles are as bright as their hopes for the 1951 Rosennial.

# Record Life In The "New" New Castle

Each member of the staff had his special tasks to perform in the making of this Rosennial.

Marilyn and Louise, our editors, had the big job. They wrote the headlines, checked the copy, and saw that everything went along on schedule. Miss Halberstadt, our adviser, was always there to answer our questions, see that our copy was well-written, and add the finishing touches to the book.

Barbara, our picture editor, saw to it that all the pictures were taken, and with the help of the editors and George, our artist, mounted the pictures for the engraver.

Mary Ada will never forget what fun (?) she had with the underclassmen section. Almost as much fun was identifying the club pictures — Naomi's job. The senior section was in charge of Martha Lou and Rosalyn, while Martha Lee

worked on the faculty. The year's dances, plays, and other activities were recorded by Jo Ann and Nancy. The houses, parks, and industries in the opening section were described by Cynthia.

Barbara and Jean Kay worked on ads, Jean Kay writing the copy and Barbara persuading the merchants to advertise. Kelly and Bill, sports editors, recorded our athletic conquests and defeats.

Arnold and Bob worried with the budget and subscription drives, planning how to keep us out of the red.

The five juniors, Ronnie, Terry, Nanette, Donna, and Nancy, worked on copy and indexing as they began to dream of next year's book.

That is how we each did our share and together completed the 1951 Rosennial.

Staff members are "persuaded" to take a short pause from their work while they smile for the birdie.

ROW 2 — Nanette Davis, Barbara Buckels, Barbara Sanders, Marilyn Copeland, Bob Riley, Arnold Cooper, Miss Halberstadt.

# Choir Tours High Schools, Colleges

Inspiring its listeners with traditional Christmas hymns, the choir was once again the highlight of the annual Christmas Senior Vespers, just one of the many activities for which it performs.

Under the direction of Don Martin, the choir worked with the orchestra to present another series of concerts during the year and was invited to sing for the 1950 Indiana State Teachers' Convention at the Claypool auditorium in Indianapolis.

This year, something new added to the choir's many activities was a tour taken early in the spring. During this tour, several Indiana high schools and colleges were visited by the NHS songsters.

# They Fill The Air With Music

Baccalaureate, Commencement, and Crescendo Varieties were among the many activities for which the concert orchestra performed.

This year the orchestra presented two concerts with the choir. The guest artist at the first performance was Mrs. Dorothy Munger, noted Hoosier pianist, who made her third solo appearance at this time. The orchestra also appeared at the second annual City-Wide Music Festival. In addition, it served as a pit orchestra for the senior class play and for Curtain Call.

As an added activity, members of the organization participated successfully in the district, state, and all-state solo and ensemble contests.

Under the leadership of Bernard O. Pressler, conductor, and officers Charles Preble, president; Marilyn Goar, vice-president; Cynthia Shirk, secretary; and Joyce Thomas, treasurer, the orchestra has proved its worth as an efficient working organization. Not pictured here is Charles Rinehart who served as president for the second semester.

# Music Makers Add Pep, Spirit

The waving of a hand, the stomping of a foot, the counting of "one, two, three," and "B. O." Pressler starts his little "Stinkers" on one of their rhythmical numbers which always starts the crowd clapping their hands.

Playing everything from "Ain't She Sweet" and "Swingin' On The Range" to "On New Castle," these music makers have played a tremendous part in the year's activities.

Working together for a better band are the band officers Joanne Bennett, treasurer; Marilyn Beckett, secretary; Porter Poindexter, quarter-master; and J. C. Addison, captain.

These officers each have their special duties. The captain and quarter-master inspect uniforms and instruments when the band gives a performance. The treasurer takes care of the band's money, and it is the secretary's job to keep up the correspondence for the NHS band.

Basketball fans from every school participating in the sectional praised the Stinkers when they appeared faithfully each night and entertained before the games. Dressed like fugitives from a Halloween party, the band members showed up in everything from tails and stovepipe hats to wigs and false noses.

They also entertained for the Foreman's Club Banquet, the band show, the Whoop-De-Do, school parties, and many other events.

Hey, kids! Here comes the band!

That's the cry that sends a thrill of excitement through New Castle people—whether it's on a city street or on a football field—for it means that the New Castle High School band is on parade.

Acclaimed as one of the outstanding bands in the state of Indiana, the local organization was one of the few Hoosier bands which participated in the high school band days of both Butler and Indiana University.

To acquire funds for the latter trip, the musi-

cians presented "Trojan Band Night" at the Castle Theatre.

Each home basketball game found these hard-working bandsmen faithfully performing to the continual delight of the crowds. They played everything from "Stars and Stripes Forever" and "St. Louie Blues March" at the games to "Panis Angelicus" and "Overture Hongroise" at their Sunday afternoon concert, which they presented with the choir in January.

The band played at Class Day and Honor Day and also assisted with the planning and producing of Crescendo Varieties.

### Curtain Call, Class Play, Crescendo

Henrietta has the whole family dodging in the first of the annual Curtain Call plays, presented by the dramatics classes under the direction of Hobart Risley. After one year of marriage, she and her husband are not hitting it off as smoothly as in their courtship days. The lecturer uses this example of married life to tell the audience, Why I am A Bachelor. From left to right are Duane Tichenor, Mary Ada Stoops, Susan Niles, Nancy Stockton, Joanne Sidwell, and Bill Cluggish.

The atmosphere changes from comedy to suspense and mystery as the curtain goes up on Edgar Allen Poe's *The Tell-Tale Heart*. The policemen on the left are busy taking notes at the home of William Valdemar where a crime has been committed.

The policemen seated around the table are Terry Harris, Morris Edwards, and Paul Stoops. Not pictured is Randall Fisher, who played William Valdemar.

In the play *Heart Attack*, grandma is engaged in a conversation with her husband-to-be and is oblivious to the worried glances of her daughters, granddaughters, and Mamie, the maid. Her daughters are convinced that Tony, her fiance, is not the right man for her and that he is only after her money. After much persuasion, she finally decides against marriage.

From left to right are Nellie England, Barbara Akers, Gail Harvey, Beverly Brenner, Rosalyn Fields, and Idabelle Sorrell.

Call Me Mac is about a wounded World War II soldier in France, who seeks refuge in a barn located close to Flanders Field. During the night, a World War I soldier, who had been buried in Flanders Field, appears and talks to the young soldier. At the end of the play, the lights are dimmed, and the poem "In Flander's Field" is repeated by a voice in the background. From left to right are Arnold Cooper, Dean Cox, Kelly Wise, Marie Williams, and Nanette Davis.

# Make Dramatic History For 1951 Thespians

What happens when a pretty, youthful-looking mother enters the same college which her daughter attends was cleverly shown in the 1951 class play, "Mother Was a Freshman."

Many worshipping glances are sent in the direction of Abigail Fortitude Abbott by the college boys. She almost goes too far, however, when she becomes involved with her daughter's idol, Professor Michaels. Abigail is shown here with her admirers.

Row 1-Paul Stoops.

Row 2—Kelly Wise, Tom Dailey, Phil Evans, Betty Prizeman.

Shown here is more of the cast with director, Hobart Risley.

Row 1—Barbara Curlett, Nancy Stockton, Jean Kay Koon, Cynthia Shirk, Natha Lee Bailey.

Row 2—Mr. Risley, J. C. Addison, Barbara Sanders, Marilyn Copeland, John Black.

No play could be produced without the people who work backstage, helping with costumes and make-up and putting the scenery together.

Shown here, working on props, are Paul Stoops and Junior Taylor. Standing behind them are the heads of the different crews. They are Forrest Blansette, stage manager; Melba Cross, costume crew chairman; and Mary Roy Catt, make-up crew chairman.

"A Night With TV" was used as the theme of the 1950 Crescendo Varieties, which was presented by the music department under the direction of Bernard Pressler and Don Martin.

Presented on the TV channels were Dixieland Unlimited, Troy-Town Supper Club, the WNHS-TV Concert Hour, and Uncle John's Teen-Time Talent Search, in which the girls on the right appeared. They are Sue Meadows, Naomi Recher, Julia Armstrong, Betty Medalen, Lola Bittner, and Barbara Curlett.

### These Events

#### SEPTEMBER

Among the 1031 students who entered school on September 11, ready for a busy year, were these two seniors, J. C. Addison and Betty Grogg. Football games, club meetings and initiations, Rosennial pictures, Phoenix subscription drive, and early morning band practices helped to form the calendar of events for the first month of the 1950-51 school year.

#### **OCTOBER**

In October the band travelled to Butler University to participate in the annual High School Band Day. All of us enjoyed a two day vacation while the teachers attended the Indiana State Teachers Association meeting in Indianapolis. Cider and doughnuts took their usual place of importance as Halloween grew near, and boys like Kelly Wise tried to scare girls like Mary Ann Fennell.

#### NOVEMBER

Footballs were put away and "Hoosier Hysteria" came to NHS with our first basketball game. Dramatics students presented "Curtain Call," the orchestra and choir gave their first concerts, and the band raised money for the I. U. High School Band Day by giving a variety show. Demonstrating what took place during Thanksgiving vacation are Judy Craig and Bruce Harris.

#### **DECEMBER**

Senior Vespers topped the list of activities for members of the senior class when they appeared for the first time as a group at the annual P-T. A. program. Mary Ann Fennell was crowned queen of the "Snowball" dance. Vacation began December 22 with a party in the school halls which rang with Christmas spirit. Here Lois Grayson tells Santa Claus, Jr. Stokes, what she wants for Christmas.

#### JANUARY

January started off with a "bang" when many of us travelled to Kokomo to watch our team play in the Big Four Tourney on New Year's Day, and a lot of us rang in the new year with parties. We were "snowed under" for a week of unexpected vacation and returned to school with new energy and ambition. Seniors began to plan their college careers when they attended the College Guidance Day program.

### Were Memorable

#### FEBRUARY

This mid-winter month brought joys and sorrows to NHS. Among the joys was the success of the music department in the district and state contests and at their band and choir concert. We grabbed our favorite Valentines and attended the girl-ask-boy dance, Heart's Hop. Like true Trojans, we showed our sportsmanship as we faced defeat in the final game of the sectional tourney.

#### MARCH

Barbara Sanders and other Trojans relived memories of the basketball season, but everyone was busy planning Easter outfits and Easter vacations. Seniors worked hard on the class play, "Mother Was A Freshman." Excitement reigned when we received the transmitter for our own F. M. radio station. Thirty-five juniors and seniors were happy when they received invitations to National Honor Society.

#### APRIL

April brought that day when boys like Ronnie Lightfoot told girls like Nanette Davis that their slips were showing. This month was also a month of excitement for the music department. Crescendo Varieties was patiently planned and given to the enjoyment of the students and satisfaction of the cast. Many girls were excited over invitations from that special boy to the annual Hi-Y Best Girl banquet.

#### MAY

May brought beautiful weather, thoughts of summer vacation, and that anxiously awaited event, Junior Prom, which was held in the Armory for the first time this year. Bill Cluggish is shown teasing Donna Miller before giving her the flowers he has brought her. For seniors there were busy days with class day and the appearance of this Rosennial, honor day, and baccalaureate.

#### JUNE

Finally, on Thursday, May 31, seniors put on their green caps and gowns and listened to Rev. Robert V. Pierce of Indianapolis deliver the commencement address. The next day, June 1, the rest of us put our books away for another school year. Some lucky students made plans for Boys' and Girls' State, others planned to attend summer school, but everyone looked forward to three carefree months of summer vacation.

Carolyn Robinson Reigns Over 1950 Junior Prom

For the entertainment, the junior dramatics class presented a humorous skit which took place in "King Neptune's Court." A treasure chest, containing the royal crown, and large moss-covered rocks, used as seats for two witty mermaids, adorned the court. From his mammouth seashell throne, King Neptune declared a contest in order to select a beautiful queen to reign over his kingdom. Four troublesome card sharks, Davy Jones, an old man, and a jolly court jester offered their help in the search for the queen. A cowgirl, a southern belle, a sea hag, a flirt, Dumb Dora, Ermatrude, and three fish songstresses were all disappointed when told by the king that they did not qualify.

Sparkling sea horses, shimmering fishes, and thousands of streamers made of green crepe paper were combined to make the setting for the 1950 Junior Prom. Members of the junior and senior classes and their guests danced "Under the Sea" to the music of Tommy Robbins and his orchestra. Climaxing the evening, Tom Dailey, junior president, with a crown and a kiss crowned Carolyn Robinson queen of the 1950 prom. Attendants were Nellie England, Jane Ann Jennings, Gay Frost, Barbara Curlett, Barbara Macer, and Barbara Buckels.

# Kings And Queens In All Their Glory

Holding the roses which were presented to her by Santa Claus, Mary Ann Fennell sits amid her court after having been named Snow Ball Queen.

Her court was composed of runner-up Marilyn Goar, who received a corsage, and Linda Hassfurder, who assisted in the crowning.

The queen led the grand march with her escort, Santa Claus, who was Mr. Lewis Larrison.

The Snow Ball Dance is held each year after a basketball game and is sponsored by the SunShine Society.

The climax of the Skiland Shuffle, an after-the-game dance, was the crowning of King Eskimo.

This year, Johnny Grimes was chosen as king and was crowned by Arnold Cooper. The runner-up was Junior Stokes, who received the small igloo which had been used as the ballot box for the voting.

The dance was sponsored by the National Honor Society, and Charles Rinehart and His Rhythm Five furnished the music.

The playing of "Thinking of You" ended the crowning ceremony during which Susan Niles became the 1951 Heart's Hop Queen.

Susan was crowned by Martha Lou Johnson, president of the Fi Del Club, which sponsors the girl-ask-boy dance every year around Valentine's Day. Her crown was of white carnations, and her escort, Gene Downing, received a single buttonniere.

The gym was transformed into a wonderland of hearts, cupids, and shimmering red and white streamers. The couples entered through an avenue of white trees, which were covered with small red hearts.

Joe Leonard and his band from Indianapolis played for the occasion and were placed on the stage before a backdrop of hearts and cupids.

Susan was chosen from eight candidates and was voted on by the couples as they entered the dance.

# Speakers Arque 'Welfare State'

The first debate team of NHS was organized this year under the direction of Hobart Risley. This team was started so the students could participate in debating contests with different schools.

When this group met, they studied debate, took notes, and argued the national high school question: "Resolved — That the American people should reject the welfare state."

Pictured on the right are the debate team members.

ROW 1 — Jim Fromuth, Barbara Curlett, Martha Lou Johnson, Paul Stoops, Elaine McGinnis, Martha Hartzell.

ROW 2 — David Brenner, Jeannette Stafford, Randall Fisher, Marilyn Beckett, Mr. Risley, Jim Brown, Judy Life, Anne Fleming.

The speakers on the right were chosen to go to Purdue with the Legislative Assembly. They spoke at various places over the Purdue campus, and their extemporaneous speeches were all on different phases of the "Welfare State." One of the alternates who participated in the speaking was Barbara Curlett, chosen as one of the outstanding extemporeaneous speakers.

From left to right the speakers are: ROW 1 — Martha Hartzell, Elaine Mc-Ginnis, Mary Ada Stoops, Marilyn Copeland, David Brenner.

ROW 2 — Randall Fisher, Paul Stoops, Jim Fromuth.

Elected by the junior and senior history classes, the students at the right represented NHS at the Purdue Legislative Assembly.

They took part in a model legislature and worked on committees which presented bills to be voted on by the assembly. Kelly Wise was chosen as one of the ten outstanding speakers in the legislature.

ROW 2—Duane Tichenor, Jim Brown, Phil Evans, Arnold Cooper, Kelly Wise.

# For Good

Looks like SunShine is planning another party, or maybe it's a tea for the teachers. It could even be the Easter Vespers. Whatever it is the girls look interested and it should be a success.

With the ordeal of rough initiation over, the Fi Del pledges came all "dolled up" to the formal initiation at the Methodist Church where they officially became Fi Del members

To show their executive and artistic ability, the F. B. L. A. club and interior decorating classes cooperated to decorate an office and lounge for the home economics and commercial teachers.

# Citizenship, Students Work Together

JUNIOR ROTARIANS— To better acquaint leaders of the school with leaders of the community, the Rotary Club each year chooses eight Junior Rotarians. Senior boys are selected on the basis of leadership, scholarship, and character; and one of the eight attends the Rotary Club dinner meeting each month.

Members of National Honor Society and the senior class president automatically become Junior Rotarians. All others are elected by members of the National Honor Society.

Boys selected this year were Tom Dailey, October; J. C. Addison, November; Mal Edwards, December; Arnold Cooper, January; Phil Evans, February; Kelly Wise, March; Bob George, April; and Bill Cluggish, May.

ALTRUSA GIRLS— Nurse, horticulturist, teacher—these are just a few of the varied vocational ambitions of the ten senior girls chosen as this year's Altrusa Girls.

Each year the Altrusa Club, a business women's organization of New Castle, sponsors the election of several outstanding girls to become Altrusa Girls. These students are selected by a faculty committee on the basis of leadership, service, character, probability to succeed, and the fact that they have already chosen their profession.

The girls were the guests at one of the Altrusa meetings at which they conducted a round table discussion with Barbara Buckels as chairman. They also attended the annual Altrusa birthday breakfast in April.

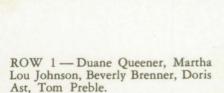

Junior Rotarians were Arnold Cooper, J. C. Addison, Tom Dailey, Bill Cluggish, Kelly Wise, Phil Evans, and Mal Edwards.

Girls selected as Altrusa Girls were Barbara Buckels, Marilyn Copeland, Bonnie Craig, Nancy Fisher, Beverly McClain, Sue Meadows, Nina Jane Anderson, Laqueta Wood, Jane Ann Jennings, and Cynthia

# When School Began, Members

NATIONAL HONOR SOCIETY— Fifteen percent of the junior class is chosen by the faculty each year to become members of the National Honor Society. Qualifications for membership are based upon standards of scholarship, leadership, character, and service.

At the end of each six-weeks grading period, members of the society compiled the honor roll. When convocations were held, they collected convocation passes. As another service to the school, they ushered at concerts, plays, and other programs.

Officers for the first semester were Arnold Cooper, president; Naomi Recher, vice-president; Barbara Curlett, secretary; and Mal Edwards, treasurer. For the second semester J. C. Addison was president; Nancy Fisher, vice-president; Martha Lou Johnson, secretary; and Donna Van Buskirk, treasurer.

STUDENT COUNCIL— Sponsoring a party for all the county yell leaders was the main project of the Student Council this year. The party was held at the Sunnyside school just before the sectional tourney.

Members of the council were elected from candidates in each class at the beginning of the school year. The purpose of the Student Council is to express the thoughts of the students and to help students and teachers become better acquainted.

Student government is the chief object of the Student Council. Other objectives are to develop initiative, student responsibility, leadership, and school pride. The club is under the sponsorship of the principal, Mr. Lemme.

# Of Twenty Clubs Started Plans

JR. F. H. A.— The junior chapter of F. H. A. was organized in New Castle in the fall of 1950. It is an affiliate of the senior chapter and was organized especially for freshman girls who are majoring in home economics.

Last June they sent delegates to the state convention at Indiana University along with the girls from the senior chapter.

Every freshman girl works hard so she will be awarded the Junior Homemaker's Degree which shows she is eligible to become a member of the senior F. H. A. Members have also gone on field trips and held several parties.

SR. F. H. A.— To broaden their interest in home economics, members of the senior chapter of F. H. A. took field trips, listened to experts, and worked on projects. One of their activities was collecting clothing for needy children at the new Wilbur Wright Grade School. The club also sponsored a "Tag Day" when money was collected for the Heart fund.

The local chapter of the Future Homemakers of America was organized in 1947 when it became one of the first 300 chapters in the United States.

At the time of the year when everyone is thinking of witches, black cats, owls, and pumpkins, the club sponsored a Halloween dance called the Owl Hoot.

## For Rough and Formal Initiations;

LOS AMIGOS DE ESPANOL— A banquet early in May at which the officers for the next year were installed was the highlight of the year for "Los Amigos De Espanol." These Spanish students also joined forces with the Latin Club to sponsor the "Turkey Trot" after the Tech football game.

During the year, club members enjoyed talks by Morris Edwards and Miss Pogue as they told of their trips through Mexico. Through the courtesy of the Latin club, the members heard the illustrated lecture presented by Rev. Frank Guyett of Dublin on his trip to Europe.

Because of the withdrawal from school of Betty Medalen, president, Judith Life, vice-president, took over the presidency. The other officers were Donna Van Buskirk, secretary; Nancy Stockton, treasurer; and Miss Lewelta Pogue, sponsor. LATIN CLUB— Anyone who has visited a meeting of the Latin Club may have seen the members playing "habeo" (bingo), singing "Are You Sleeping, Brother John" in Latin, or presenting a play about life of the Romans. Various myths of the Romans were presented at one meeting.

To acquaint others with the Latin world the club invited other organizations to attend its meetings. At one meeting, movies on Italy were shown.

Near the end of the year, members dressed in "togas" and attended the Roman banquet. New club members acted as servants, waiting on the others. Although they could not lie down to eat as the Romans did, the meal was as much like that of the Romans as possible.

Officers of the club were Bob George, president; Bill Cluggish, vice-president; Barbara Macer, secretary; and Ronnie McCormick, treasurer.

# Dances, Parties, Field Trips,

SCIENCE CLUB— Physics, biology, and chemistry students make up the three divisions of the Science Club, one of the school's largest and most active organizations.

In October, members took a three day camping trip to Versailles State Park where they hiked, discussed erosion problems, and built dams. To help complete a nation-wide project, club members took a bird census of Henry County. The groups covered 18 square miles and recorded 35 different species.

First semester officers were Jim Brown, president; Gene Harding, vice-president; and Jane Ann Jennings, secretary-treasurer.

Serving for the second semester were Nine Jane Anderson, president; Jane Ann Jennings, vice-president; and Mary Culp, secretary-treasurer. Marilyn Beckett was elected secretary of the Indiana Junior Academy of Science at the state convention.

F. B. L. A.—A crowd of students buying paper, ink, cough drops, candy, and various other articles was always gathered around the Trojan Bookstore between class periods. This bookstore was the main project of the Future Business Leaders of America.

Another contribution to the school which the organization made was the presentation of a comptometer for use in the office machines classes. To give the members adequate experience, many of them typed and mimeographed material for teachers.

The F. B. L. A., along with the home economics department, decorated a room on the first floor to be used as a conference room and lounge.

# Mother and Father Banquets,

HI-Y— The annual "best girl" banquet highlighted the year for Hi-Y members. The event was held in the Roberts Hotel at Muncie in early April. Each member of the club invited his best girl to the party where they are and danced to the music of Junior Ryan and his orchestra.

Bad luck hit the club this year when their fall homecoming dance, Harvest Hop, was snowed under by a blizzard. However, the boys added to their treasury by sponsoring an after-the-game dance.

Members of Hi-Y attended conferences at Hagerstown, Elkhart, and Marion. The officers attended a leadership camp last summer for a week in July. Another main activity of the club was a "Maw, Paw, and Me" banquet.

This year's officers were: Duane Tichener, president; Tom Dailey, vice-president; Paul Stoops, secretary; Kelly Wise, treasurer; and Charles Preble, Chaplain. Mr. F. Francis Reed sponsored the club.

QUESTERS HI-Y—Questers meets every Monday evening in the Y. M. C. A. canteen and is the only club in NHS which is limited to underclassmen.

Highlighting the year for the Questers was the Elkhart State Older Boys Conference at Elkhart, Indiana. There, boys attended various lectures, classes, and a dance at the Y. M. C. A. They stayed all night with very hospitable Elkhart residents.

Another "big event" of the year for these boys was the picnic they held at Memorial Park for their fathers. They also held a pledge party at which the entertainment was given by the new members.

Other activities held by the club were an afterthe-game dance, the "Sock Hop," Christmas caroling, and the Hagerstown and Marion district conferences.

Questers, sponsored by Lewis Larrison, had the following officers: Bob Tichenor, president; Fred Moystner, vice president; Jim Payne, secretary; Keith Armstrong, treasurer; and Dave Brenner, chaplain.

# Special Programs And Speakers,

F. F. A.— The Future Farmers of America were engaged in several money-making activities during the past year. The new aim of the club is to save money to buy farm machinery and to farm their own land. When this project is completed, it will be done in coordination with the boys' vocational class work in agriculture. They have already saved over three hundred dollars.

Besides their work on the club project, the F. F. A. boys held a scrap drive and gave money to the Crippled Children's drive and to the Red Cross. Early in May they took a trip to the Smokey Mountains.

Morris Weekly sponsored the local chapter of this national organization. Bob Malcom served as president; Jack Fadely, vice-president; Don Thompson, secretary; and Bob Huse, treasurer. DRAFTING CLUB— This specialized group was organized in 1948 for the benefit of those boys who wanted to do more advanced work on various designing and drawing projects. Membership in this club is limited as a boy must be a drawing student to become a member.

Senior members of the club or members who have belonged for at least six semesters receive gold belt buckles with the word "Draftsman" on them. The buckles also have Trojan heads set on green and white N's with the drafting emblem.

Some activities of the club include the sponsoring of an annual dance and the entering of drawing contests at Purdue.

Bob Stohler served as president of the Drafting Club with George Angersbach, vice-president. C. S. Kinder was the sponsor.

### Services To The School

FI DEL— When a group of girls was seen looking at a notice on the bulletin board in the main hall, they probably were members of Fi Dei and were looking at the list of girls who were to sell cokes at the next home basketball game. At each home game and at the sectional tourney these girls passed cokes up the rows of spectators and caught money thrown from the farthest corners of the gym. At the end of the basketball season they honored the varsity letter-men at their annual Lettermen's Banquet.

The club sponsored two dances, Heart's Hop and the Icicle Escapade. Another event of the year was the Ma, Pa, and Me banquet honoring members' parents.

The president, Martha Lou Johnson; vice-president, Bonnie Craig; secretary, Jean Kay Koon; and treasurer, Mary Ann Fennell led the club throughout the year.

TRI-HI-Y— The Tri-Hi-Y is an member of the Y. M. C. A. and an affiliate of the Hi-Y. Any junior or senior girl is eligible to belong. The purpose of the club is "To create, maintain, and extend throughout the community high standards of Christian character."

During the year club members sponsored an after-the-game dance. They sold Easter lilies to raise money for the crippled children's fund.

Several members attended the Hi-Y convention at Marion in March.

With Miss Helen Rupley as their sponsor the following officers served this year: Joan Hudelson, president; Barbara McMillan, vice-president; Anita Greiner, secretary; Norma Kautz, treasurer; Beverly Partain, chaplain; and Norma Spiggle, sergeant-at-arms.

## And To The Community

G. A. A.— Members of the Girls' Athletic Association prove that boys are not the only athletes from N. H. S. These girls participate in basketball, volleyball, softball, and bowling. They travel to other cities and play in competition with other teams. Several girls have won both local and state awards and brought back trophies and letters to show their ability and sportsmanship in competitive play.

The purpose of G. A. A. is to create better sportsmanship and a sense of fair play. The New Castle chapter is a member of the Indiana League of High School Girls' Athletic Associations.

Officers for this year were Beverly McClain, president; Patsy Shaw, vice-president; Barbara Moystner, secretary; Patty Peters, treasurer; and Jackie Ritchie, sergeant-at-arms. Miss Janet Rae Fleming and Mrs. Juanita McGill are co-sponsors.

MACHINIST CLUB— The Machinist Club was founded to combine social activities with the school activities of those boys taking machine trades.

All of the boys in the club are taking vocational machine trades. These boys are training to take various jobs in the machine trade field. Some are learning to be die sinkers and tool grinders while others are learning to be milling machine operators.

Some of the machines the boys run in their club as well as in class are lathes, milling machines, electric hack saws, forges, and drill presses.

### Kept Club Members Busy

SUNSHINE— Largest and one of the most active of all NHS clubs was SunShine. This group, led by Mrs. Fylious Fisher, constantly served both the school and community.

Thanksgiving baskets were presented to needy families, and SunShine members helped raise money in various community drives.

Senior members were honored at a party, the club sponsored the annual Snowball dance, and the traditional Easter sunrise service was held in the Lutheran Church just before Easter vacation. The SunShine choir sang Easter music, and with an organ background Martha Lou Johnson and Nina Jane Anderson told the Easter story.

In keeping with the national SunShine theme for this year, "Neighbors," guest speakers told of their travels in other lands. Some showed slides on European countries while others displayed such things as jewelry, fine linens, glassware, and miniatures carved from wood and ivory.

Two other outstanding activities of the year were the Faculty Christmas Tea and the Ideal Ladies' Party. The tea served as a means of bringing the faculty members and the SunShine girls closer together. At the beginning of the year each girl chose a lady as her "Ideal" and secretly presented her with gifts. At the end of the year a party was given in honor of the Ideal Ladies. Here the identity of her SunShine girl was made known.

Officers for this year were Barbara Buckels, president; Elaine McGinnis, vice-president; Barbara Sanders, corresponding secretary; Beverly Brenner, recording secretary; Phyllis Gooch, sergeant-at-arms; Susan Niles, treasurer; and Mary Recher, chaplain.

MASQUE AND GAVEL— Eight members of Masque and Gavel, international dramatics honorary, remained in NHS this year, having been elected as juniors.

Masque and Gavel was organized for the first time locally in 1949, and membership is open to dramatics students who have done outstanding work. Students are chosen for membership on the basis of points earned in class and dramatics productions.

Because the organization is an honorary one, it does not meet as a regular group. Its members, however, have been active in dramatic and speech work. New members from the junior and senior class were chosen in April. Hobart Risley is Masque and Gavel sponsor.

YES, CLUB LIFE in NHS is an active one. Nearly every evening after school is devoted to the meeting of some organization. Membership in some clubs is selective, but there is a large enough variety so that every NHS student can belong.

Parties, rough and formal initiation, and just getting together with the group make it fun to be a club member. All clubs have many serious activities, too. They have programs with outstanding speakers, and they work on projects to help the school, the community, and to better understand people all over the world.

Participation in school activities creates the leaders and the followers who soon will be the well-informed citizens of the "New" New Castle.

### Throughout The School Year

These eight young actors and actresses started off the 1950-51 school year as the only remaining charter members of Masque and Gavel.

They are Forrest Blansette, Louise Gephart, John Black, Martha Grayson, Bob George, Nancy Fisher, Duane Tichenor, Bill Cluggish, and sponsor, Mr. Risley.

Hi-Y pledges Jim Phares, G. C. Thompson, Monte Brammer, Tom Romine, Jerry Rains, Terry Harris, Tom Payne, Don Martin, and Ray Antle helped entertain amused spectators at school and at one of the football games.

Here, pledges appear at the dance after the game where they presented a style show, much to the amusement of the dancers.
